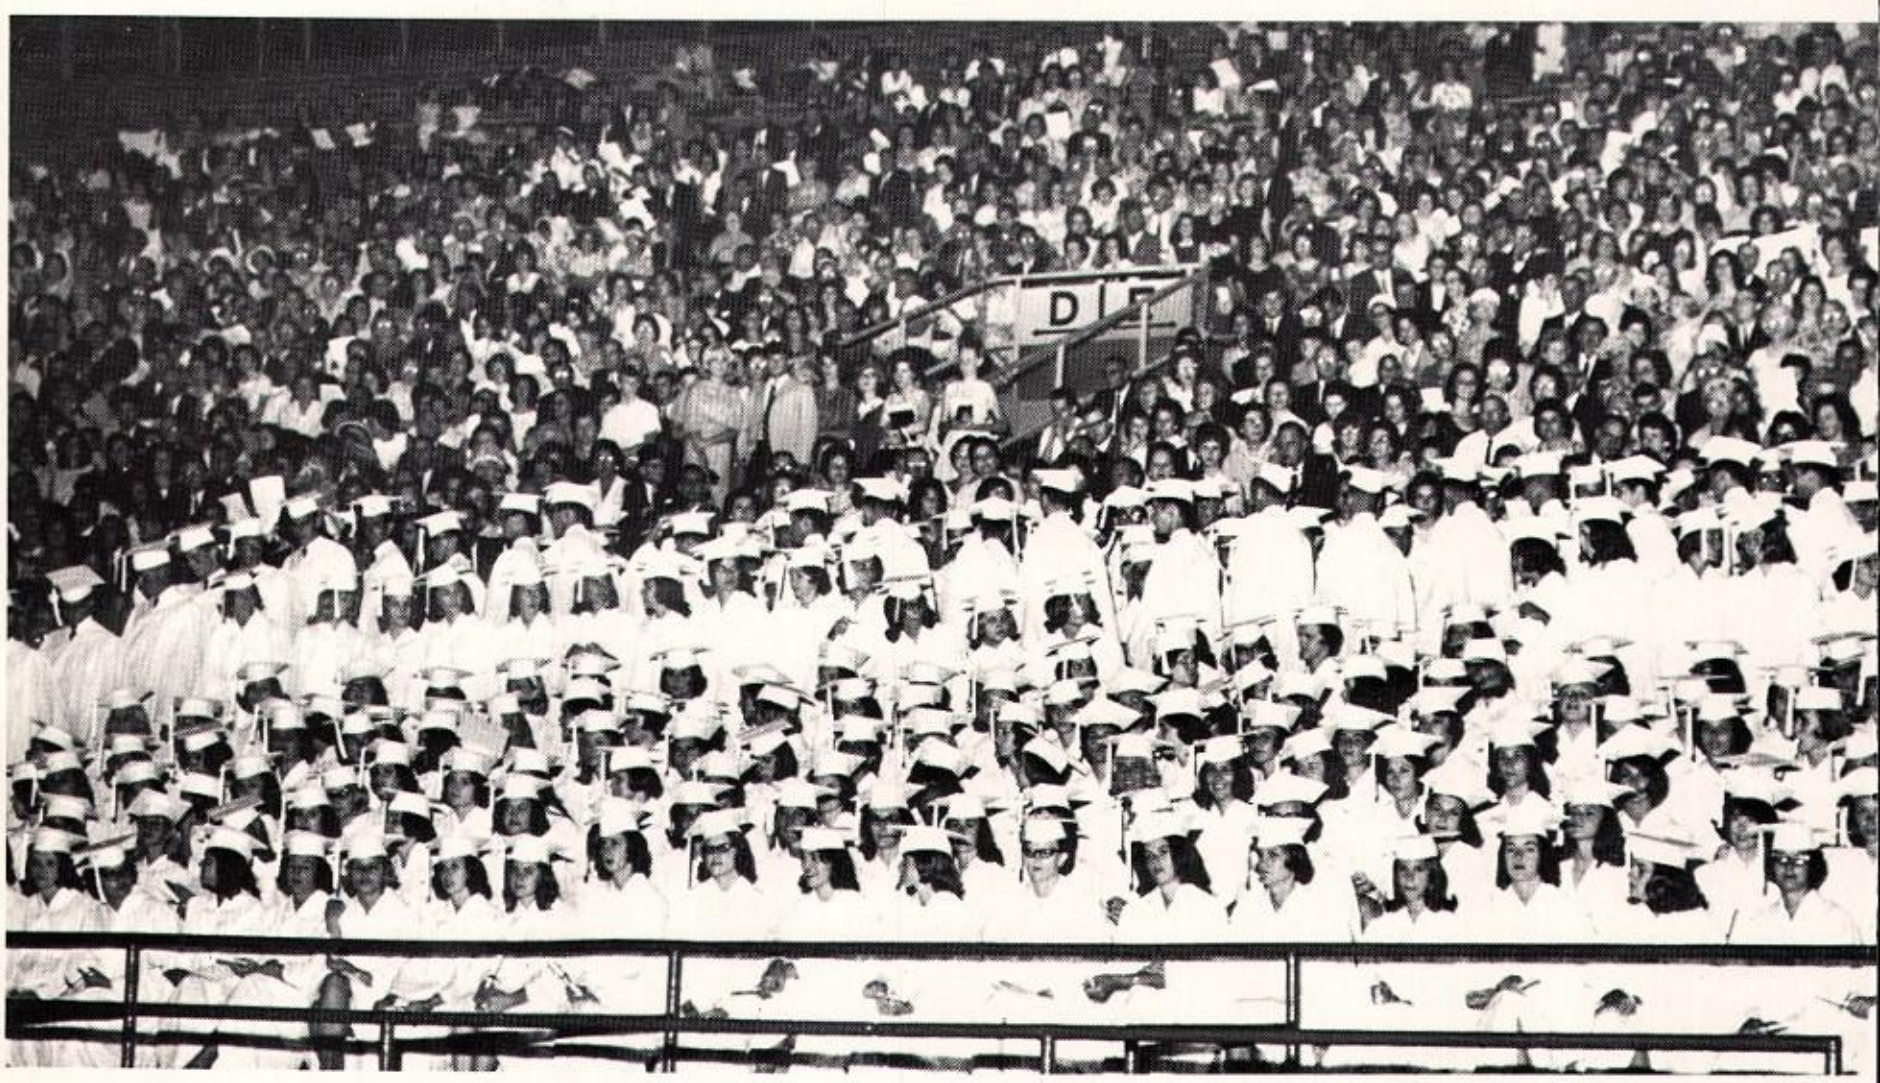
MURPHY HIGH SCHOOL
MOBILE, ALABAMA
VOLUME XL

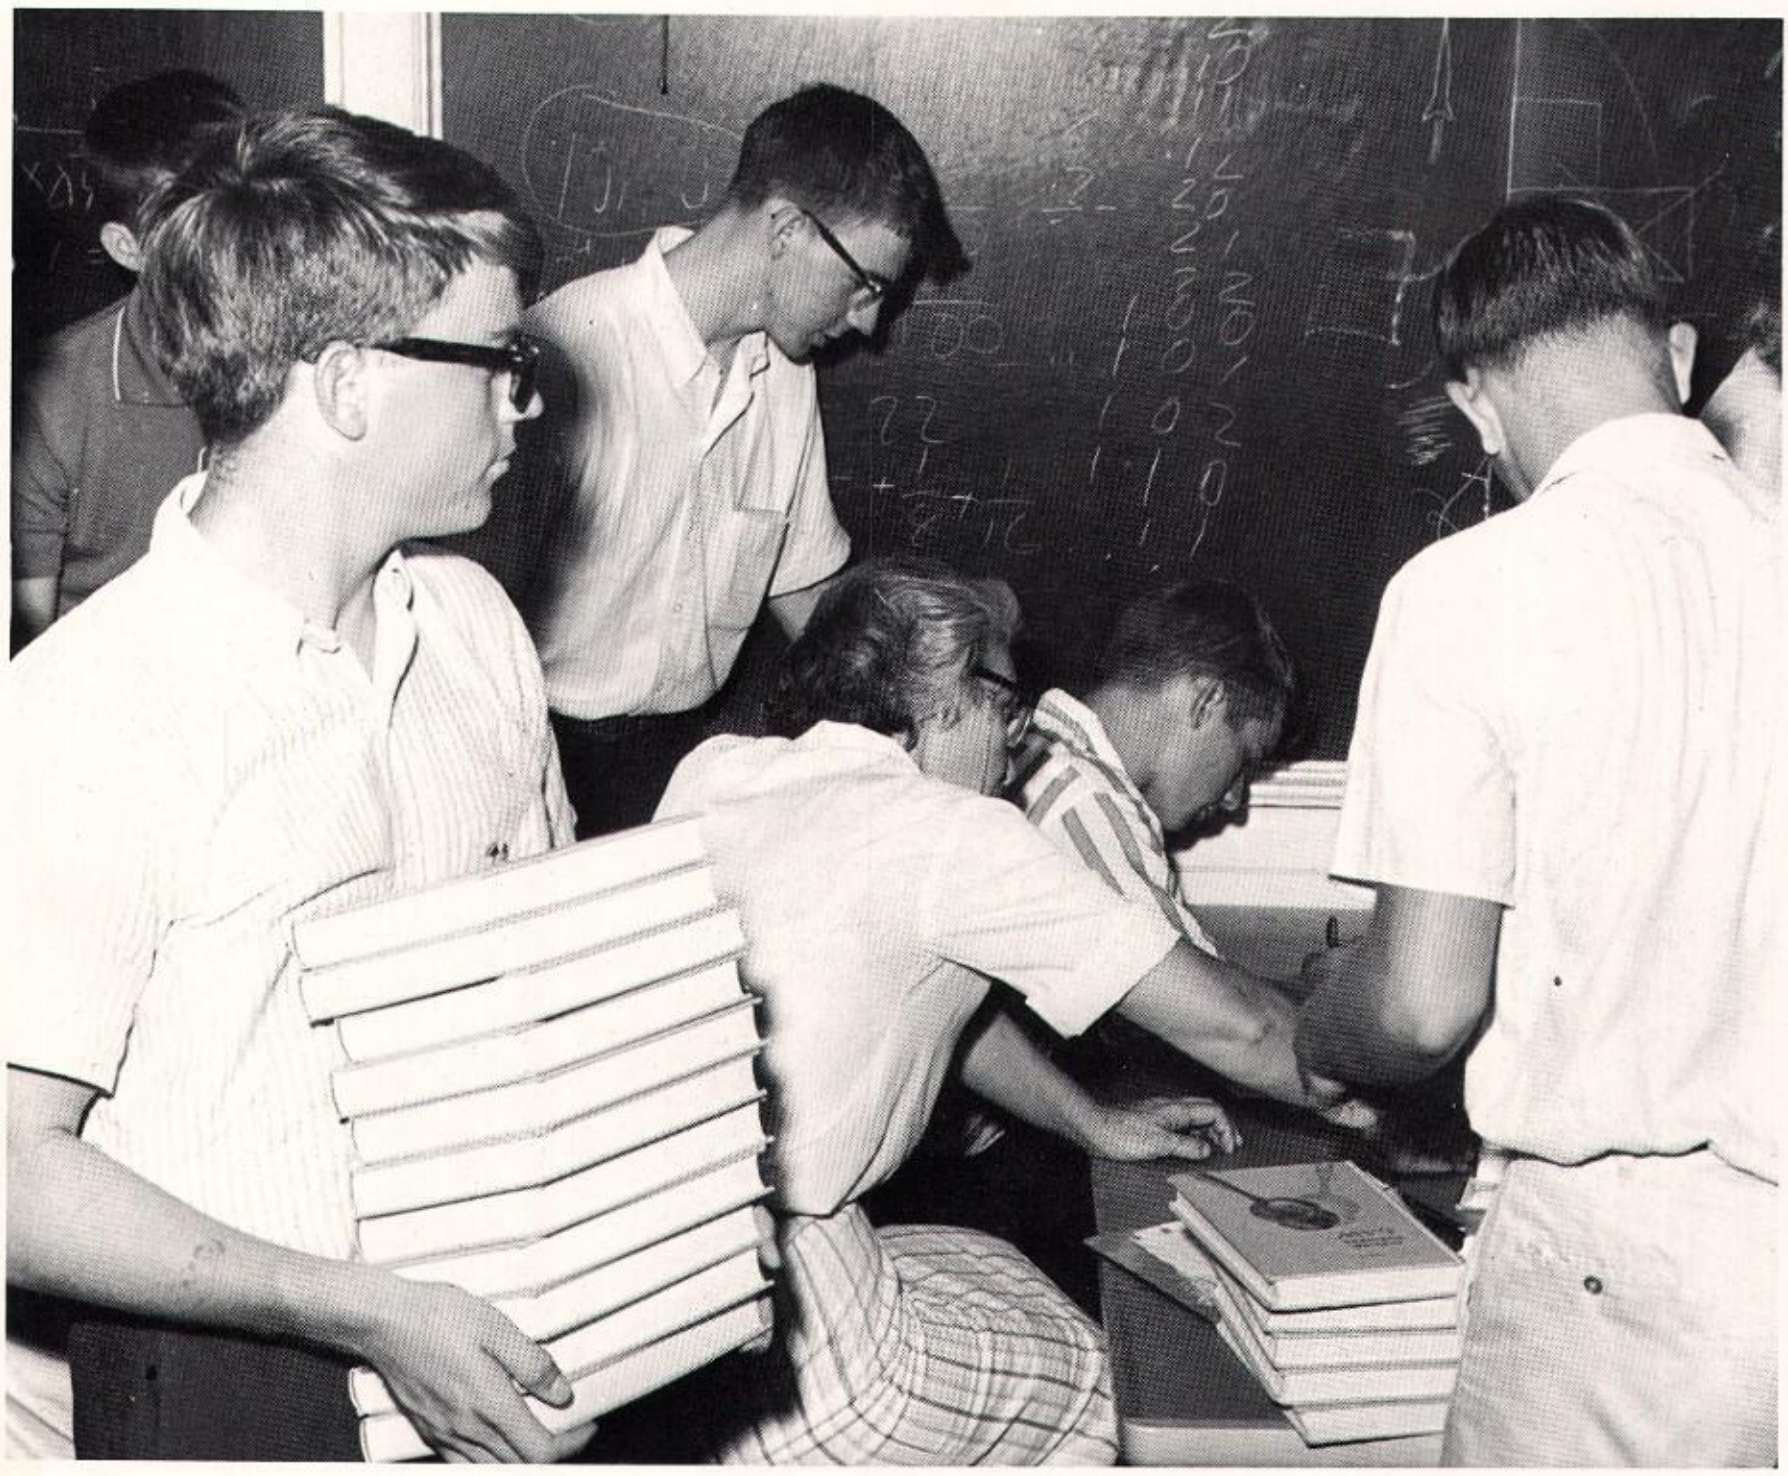


Seniors, reenacting the annual tradition of graduation, step into a new world of goals and duties.

Responsibilities of student government interpret the necessity of qualified leadership.

Heritage Is Our Gift To Others . . .

Vivacious cheerleaders spark the athletic program by encouraging students to attend the coming game.



Organized distribution of state owned textbooks marks the beginning of a new year of study.

Metropolis of Mobile offers unlimited opportunities to young people striving for success.

So We Prepare . . .

Announcements initiate each new school day.

Heritage, handed down from generation to generation, is enriched through individual initiative and success. In education lies the opportunity for one to gain personal achievement.

During the three years spent at Murphy, each student becomes a little older, a little wiser, and a little better informed about the responsibilities of life. Should we fail to fulfill these responsibilities, we would be failing not only ourselves but also the students of tomorrow.

Each aspect of high school days is touched by the penetrating rays of learning. To advance in their academic phase of learning, students borrow freely from the Torch of Knowledge. By participating in classes, sports, and clubs, they learn the necessity of cooperation and self-discipline. Every addition strengthens and brightens the flame until it is ready for use, either in choosing and upholding a career or in furthering education at a college or university. In June the graduating class ventures into the outside world, to pass the flaming torch of knowledge to others, giving them the opportunity to enrich their own minds.

Joe Jones prepares to accept duties as Student Council President.

Students Honor Builder of Youth

Supporting Murphy in all of its many activities requires a loyalty that few people possess. When someone has this loyalty and maintains it from year to year, it is appropriate to recognize her efforts in a material manner.

Upon graduation from Georgia State Teachers College in 1953, Miss Catherine McNally came to Murphy as a physical education instructor and began at once to find a place in the hearts of her students and fellow workers. To the tremendous tasks of co-sponsoring the senior class and coaching the boys' tennis team, Miss McNally adds the responsibility of chaperoning dances and bus trips, attending athletic events regularly, and working after school with girls and boys who participate in intramural sports programs.

Shortly before her father's death in 1964, the people of Chickmauga, Georgia, built a ball park naming it the Dan McNally Park because of his interest in young athletes. Following in his footsteps, Miss McNally has stimulated and encouraged many teens to lead healthier and more active lives. Her teaching assignment does not end with school, for she works summers as a playground supervisor.

Young people all over Mobile have been influenced by her promotion of honesty and fair play in all that they do. To express our appreciation, we proudly dedicate to you, Miss Catherine McNally, THE 1966 MOHIAN.

Faculty

Stimulating knowledge, promoting success and instilling leadership, the 115 faculty members of Murphy High School develop the citizen of tomorrow. Through eighty-five courses, the staff prepares the students for all walks of life. The eleven departments range from trade skills to college preparatory offering to all students unlimited opportunity.

77,586 Attend Mobile Schools

Mr. Arthur Smith, Mr. Jack Gallalee, Mr. Charles McNeil, Mr. William Crane, and Dr. Cranford Burns head Mobile School System.

Dr. Cranford Burns, Mobile County Superintendent of Schools oversees the operation of our county schools.

Striving to solve the problems of Mobile's public schools is the Mobile County Board of School Commissioners. Serving as president of the board this year is Mr. Jack Gallalee. Mr. Arthur Smith Jr., fills the duties of vice-president and Mr. Charles McNeil, Dr. Sidney Phillips, and Mr. William Crane complete the group. These five citizens give very generously of their time and effort without pay to improve the many Mobile schools, four of which are new this year. Attending these institutions are 77,586 students who are instructed by 2,642 dedicated teachers.

Working with the board is an administrative staff headed by Dr. Cranford H. Burns, Superintendent of Schools. He is aided by Dr. Comer L. Scarborough, Assistant Superintendent; Dr. Clyde Zeanah, Assistant Superintendent in charge of administration; Mr. Judson Martin, Assistant Superintendent in charge of personnel; Mr. John K. Montgomery, Assistant Superintendent in charge of business; Mr. James McPherson, Assistant Superintendent in charge of pupil personnel; and Mr. Frank Schneider, Assistant Superintendent in charge of curriculum. Without these men, who are in charge of over all supervision of the entire educational system, our schools could not be run efficiently.

Mr. Taylor Directs Improvements

Three years ago Mr. Raymond B. Taylor first accepted the duties of Murphy High School's principal. Under his administration our alma mater has progressed in many fields. The reading lab and Biology B.S.C.S. have broadened curricular opportunities. To meet the increasing demands for facilities the groundwork for the expansion of the cafeteria has been finished; the main office has been divided into suites; and a new guidance branch has been introduced into the office. For the convenience of the students new lockers have been installed, and several sidewalks have been laid. Murphy's principal oversees these improvements while coordinating the diverse work of teachers, guidance counselors, and assistant principals. Mr. Taylor's efforts result in the efficient operation of Murphy. He relaxes by backing the Panthers and working in his yard. Whether advising colleagues or patrolling halls, he sees that Murphy High fulfills its obligation to the adults of tomorrow.

Taking time off from administrative duties, Mr. Taylor gets acquainted with students during the lunch period.

Phase Of Murphy

Operating Murphy High School, a complex, demanding job, is the business belonging to the Administration. Coordinated by Mr. R. B. Taylor, this group of school personnel handles problems ranging from discipline to guidance and exerts influence over every phase of the school's operation. Divided into three offices, the administration is specialized to cope with problems efficiently. Mr. Taylor's office is concerned with supervision and coordination of the complete school. Financial matters are taken care of by the Business Office. The Guidance Office aids students in facing the broadening scope of education. The Adult and Veteran Division, under the supervision of Mrs. Louise Hamil, offers classes at night to adults and students who need extra assistance. By maintaining Murphy's efficient operation the Administration insures that the school serves as an important part of Mobile.

Department Stresses Basic Grammar

Azalea Trail rehearsal is directed by Mrs. Lois Delaney.

Three thousand ninety-two sophomores, juniors, and seniors attend one hundred seven classes in the English Department. This is the only subject required during all three years at Murphy. Whether a student plans to further his education or to begin his career, a thorough knowledge of his own language is essential to his success.

Arranged homogeneously in three levels, sophomore and junior classes are designed so that each student can attain his capacity. Those who desire a strong foundation in English are offered elective courses in journalism, speech, and dramatics. A choice of world literature, creative writing, or English is offered to seniors. Twenty-two instructors, headed by Miss Hope emphasize the fundamentals of grammar.

Social Science Prepares Leaders

"I have but one lamp by which my feet are guided, and that is the lamp of experience. I know of no way of judging the future but by the past." This quote by Patrick Henry expresses the necessity of Murphy's Social Science Department. To avoid re-experiencing the blunders recorded in history and thereby maintain the position of the United States in the world today, tomorrow's leaders must associate the past with the future. A staff of fourteen instructors assumes the responsibility of preparing two-thousand one-hundred eighty-nine students for this challenge. Sixty-nine classes in world history, geography, government and economics, and American history inquire into the past, re-discovering the achievements of mankind. In this way the Social Science Department plays its role in preserving our way of life for posterity.

Mr. Kirk points out African civilization of ancient man.

Language, Key To Understanding

Miss Wall schedules use of language lab with Miss Gay.

Languages, the universal means of communication, enable each individual to interpret the problems of the world. As a part of preparing tomorrow's leaders, the Language Department is equipped with the most up-to-date methods of teaching. Introduced in 1963, the language laboratory gives the student a chance to develop his senses and his mind through listening and repeating dialogues or structure drills.

Instructed by seven trained teachers, thirty-seven courses afford an invaluable knowledge for not only the basic fundamentals of grammar but the history and customs, also. Four years of French, Spanish, Latin and three years of German are available to the nine hundred seventy-two students who seek a better understanding of foreign countries.

MISS JESSIE MARY GAY, Latin; Washington U., A.B., Columbia U., M.A.; Latin Club; Head of Department.

MRS. MARTHA BRITT, Spanish; Presbyterian College, B.A.

MISS MARY GUARISCO, Spanish; Montevallo, Auburn U., B.A., Spanish Club.

MRS. FLORENCE ROBINSON, French; Alabama College, A.B., U. of Alabama, M.A.

MISS BERTHA SPRADLIN, Spanish; Longwood College, B.S., Columbia U.

MISS NANCY N. WALL, German, French; King College, B.A., Spring Hill College; German Club, Interclub Council, Stage Crew.

MISS ANNIE LOU WHITE, French; Mississippi State College for Women, A.B.; French Club.

Department Stresses Initiative

Personal experience through participation teaches students to develop their interests in manual skills as well as creative thinking. Individual initiative is stressed by the seven dedicated instructors. Under the Industrial and Fine Arts Department is the sponsorship of the Fan Randlette Art Honor Society, whose membership provides experience for those students talented in this field.

Training by modern methods familiarizes students with the techniques of the business world. Courses in mechanical drawing, crafts, dramatics, metal work, art, machine shop, homemaking, and wood working are offered to those interested in learning the basics of modern business. Headed by Mr. W. C. Sitz, nine hundred and one students receive technical experience for their future careers.

Art students, guided by Miss Kennedy, are encouraged to higher standards of achievement in their art work.

MRS. LUCY P. DURANT, Home Economics; Alabama College, B.S.
MISS CLYDE KENNEDY, Art; U. of Alabama, A.B., Art Institute of Chicago; Fan Randlette Art Honor Society.

Miss Murray explains the construction of geometric figures.

Mathematics: Theory And Practice

Reasoning has become more important in the courses offered by the Mathematics Department of Murphy High School. The curriculum includes not only the theory involved but also the practical application that is necessary in everyday life. By completing one of the fifty classes, the student acquires several valuable qualities—reason, persistence, and accuracy—which increase his ability and efficiency in other fields. One thousand four hundred thirty-two students utilize the courses in advanced arithmetic, algebra, special math, geometry, and trigonometry. A dedicated group of ten teachers guides students in understanding the world of numbers. The Mathematics Department indeed readies Murphy's students for places in tomorrow's society.

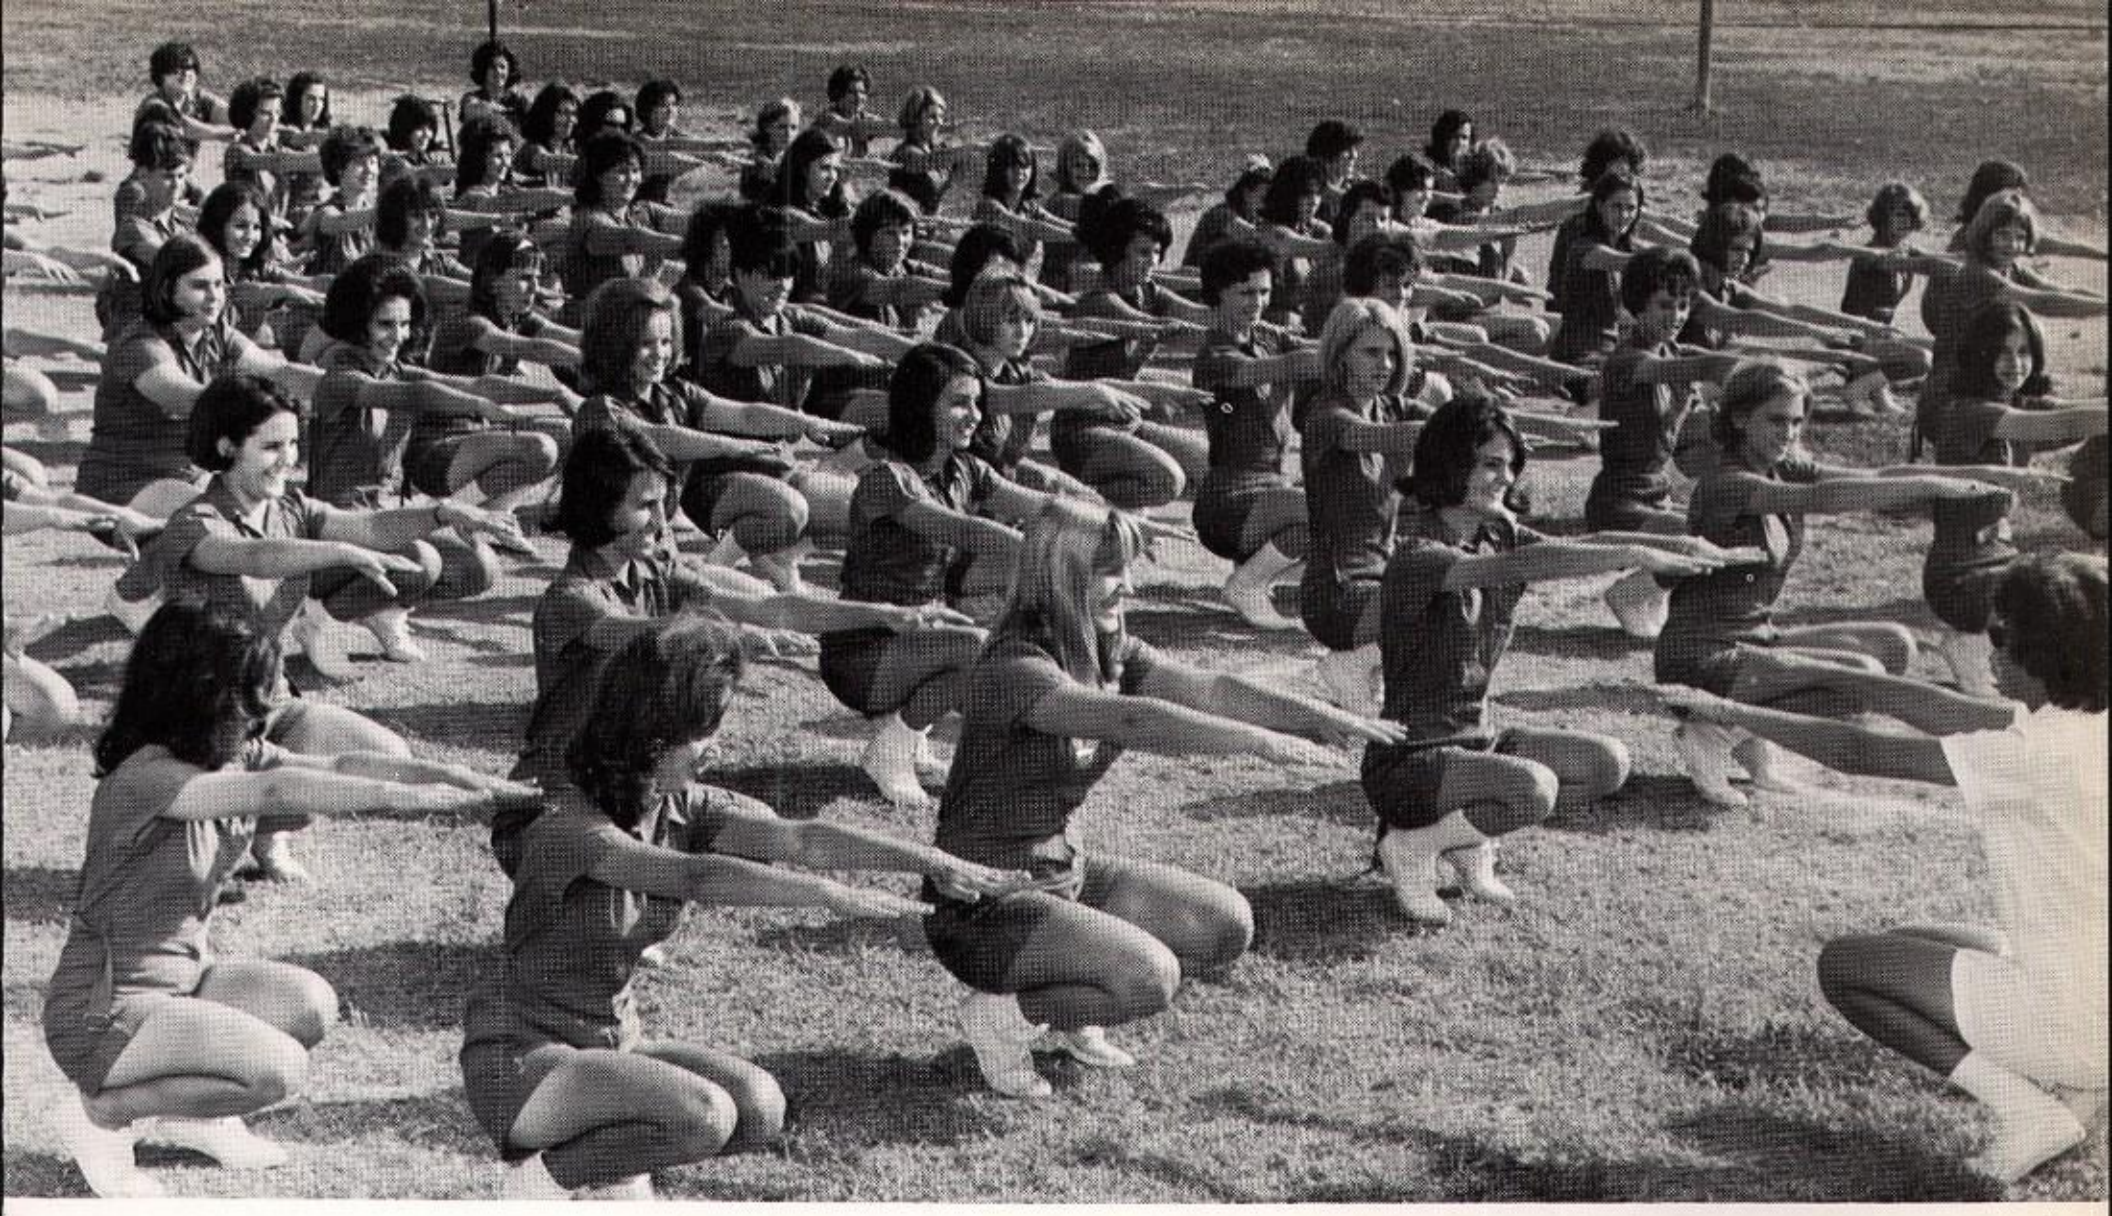
MR. VANCE E. McCRORY, Physical Education; University of Alabama, B.S.

MR. ROBERT SHAW, Physical Education; Mississippi State University, B.S.



Miss Sparkman leads daily exercises in gym class to keep her students physically fit.

"Sound minds in sound bodies" sums up the efforts of Murphy's Physical Education Department. A staff of twelve energetic instructors, five women and seven men, undertakes the task of developing one thousand five hundred seventy girls and one thousand two hundred fifty-seven boys for entering the adult world. Students are strengthened through exercise sessions. Learning that confidence and teamwork are necessary for success in life through three phases of sports. The first is composed of those conducted in physical education class. Intramural sports, those undertaken voluntarily by students after school, are included in the second class. The third, which consists of the varsity sports, has the greatest degree of training and preparation. Upon his graduation the student is ready to become a well-rounded and able part of the adult world, and this department achieves its aim to develop sound bodies.

MISS LOLETE TANNER, Physical Education; University of Alabama, B.S.; Intramural Director, Head of Department.

MISS MARGUERITE KAHALLEY, Vocational Related Subjects, Job Training; U. of Alabama, B.S.; D.E.C.C.A. Club.

Students With Work Experience

Experience is an important part of the Vocational Department. Designed for those who intend to go to work right after graduation, this department offers courses in diversified occupation, electronics, auto mechanics, machine shop, sheet metal, drafting, and distributive education. Students acquire on-the-job experience which is so often required by employers in the D.O. and D.E. programs. Other courses permit students to specialize in certain trades which lead into rewarding careers. Through fifty classes, ten instructors assume a role in preparing five hundred seventy-seven young people for entry into the adult world. These teachers stress individual accuracy and skill demanded by the business world. The necessity for teamwork is impressed upon the individual through the D.O. and D.E. programs and also through classroom activities. Thus the Vocational Department of Murphy does its part in preparing today's youth for the challenges of tomorrow.

The Great Importance of Accuracy

Accuracy is stressed in all eight courses offered by the Commercial Department of Murphy High School. Today's highly mechanized businesses demand accuracy in all phases of work from dictation to accounting. To meet the standards required by today's employers, workers must build a desire to be accurate, to always be right. The Commercial Department contributes to this goal through its courses in accounting, general business, shorthand, typing, business law, notehand, record keeping, and office machines. These courses benefit not only students who intend to enter into a commercial career by letting them master the basic skills but also those who intend to go to college by giving them additional assets for successful college educations. One-thousand eight-hundred eighty-five students take advantage of the courses given in sixty-six classes by thirteen teachers.

Leaders In Tomorrow's Research

Science is becoming more important in the courses offered by Murphy High School. In a world in which survival depends on science, the United States needs leaders who have specialized in all fields of study, but especially those who have undertaken the variety of sciences. Education assumes the responsibility of preparing these leaders. This instruction, however, demands competent teachers, large number of courses, and extensive equipment, all of which are present at Murphy High School. Eight teachers through forty-one classes in chemistry, biology, physics, laboratory, and general science enlarge the minds of one thousand one hundred seven students. The courses are various blends of research, lecture, and experimentation which permit the student to use his own academic background and reasoning. For those with exceptional initiative and determination this department sponsors Murphy's annual science fair. Participation and recognition in the fair often serve as the encouragement to build a career around scientific study.

Music Demands Regular Practice

Inspiration from three instructors, encourages the two hundred four musicians to take advantage of the chorus, voice, and creative music classes at Murphy. The main phase of the musical program is intended to benefit the one hundred five members of the Special Chorus. Ten of the school's most notable vocalist make up the Madrigals.

One period each day finds Mr. Charles Manchester teaching and conducting the fifteen member orchestra. Mrs. Myrtle Peter leads the choral division and Mr. Lee Jeffers directs Murphy's Marching Panther Band. Seventy-two performers play at games, assemblies, and parades.

Library Contains Over 20,000 Books

MISS MARTHA C. GATLIN, Librarian, (Reference); U. of Alabama, B.A.; Head of Department.

MISS ARDIETH VICKREY, Librarian, (Circulation); Troy State, B.S., U. of Alabama, M.A.

Murphy's library remains ready to serve groups or individuals with over twenty thousand books and unlimited information. A serene atmosphere encourages concentration essential to all who realize a need for constant study.

Trained librarians are always willing to help the students locate subject matter. Room 135 contains such reference materials as six sets of encyclopedias, six dictionaries, and seventy periodicals, while in room 133 the interested reader can relax with a classical Greek tragedy or a contemporary action packed thriller. The collection of books stems from the romantic to the realistic and from biographies to novels of science fiction, all of which serve to enrich.

Reading, whether it is for enjoyment or research, not only feeds one's hunger for knowledge, but also strengthens one's scope of understanding for interpreting the future.

Miss Gatlin helps students locate and select good reference materials.

In Memoriam . . .

Dedication to a cause can be surpassed only by sacrificing one's life for that cause. Miss Betty Maudree Stark spent a vital part of her first year as a teacher instructing a course in senior life-saving. Then in June, through a tragic boating accident, she gave her own life in an attempt to save a friend. "Greater love hath no man than this, that a man lay down his life for his friends."

John 15:13

Beloved Friend And Wise Leader

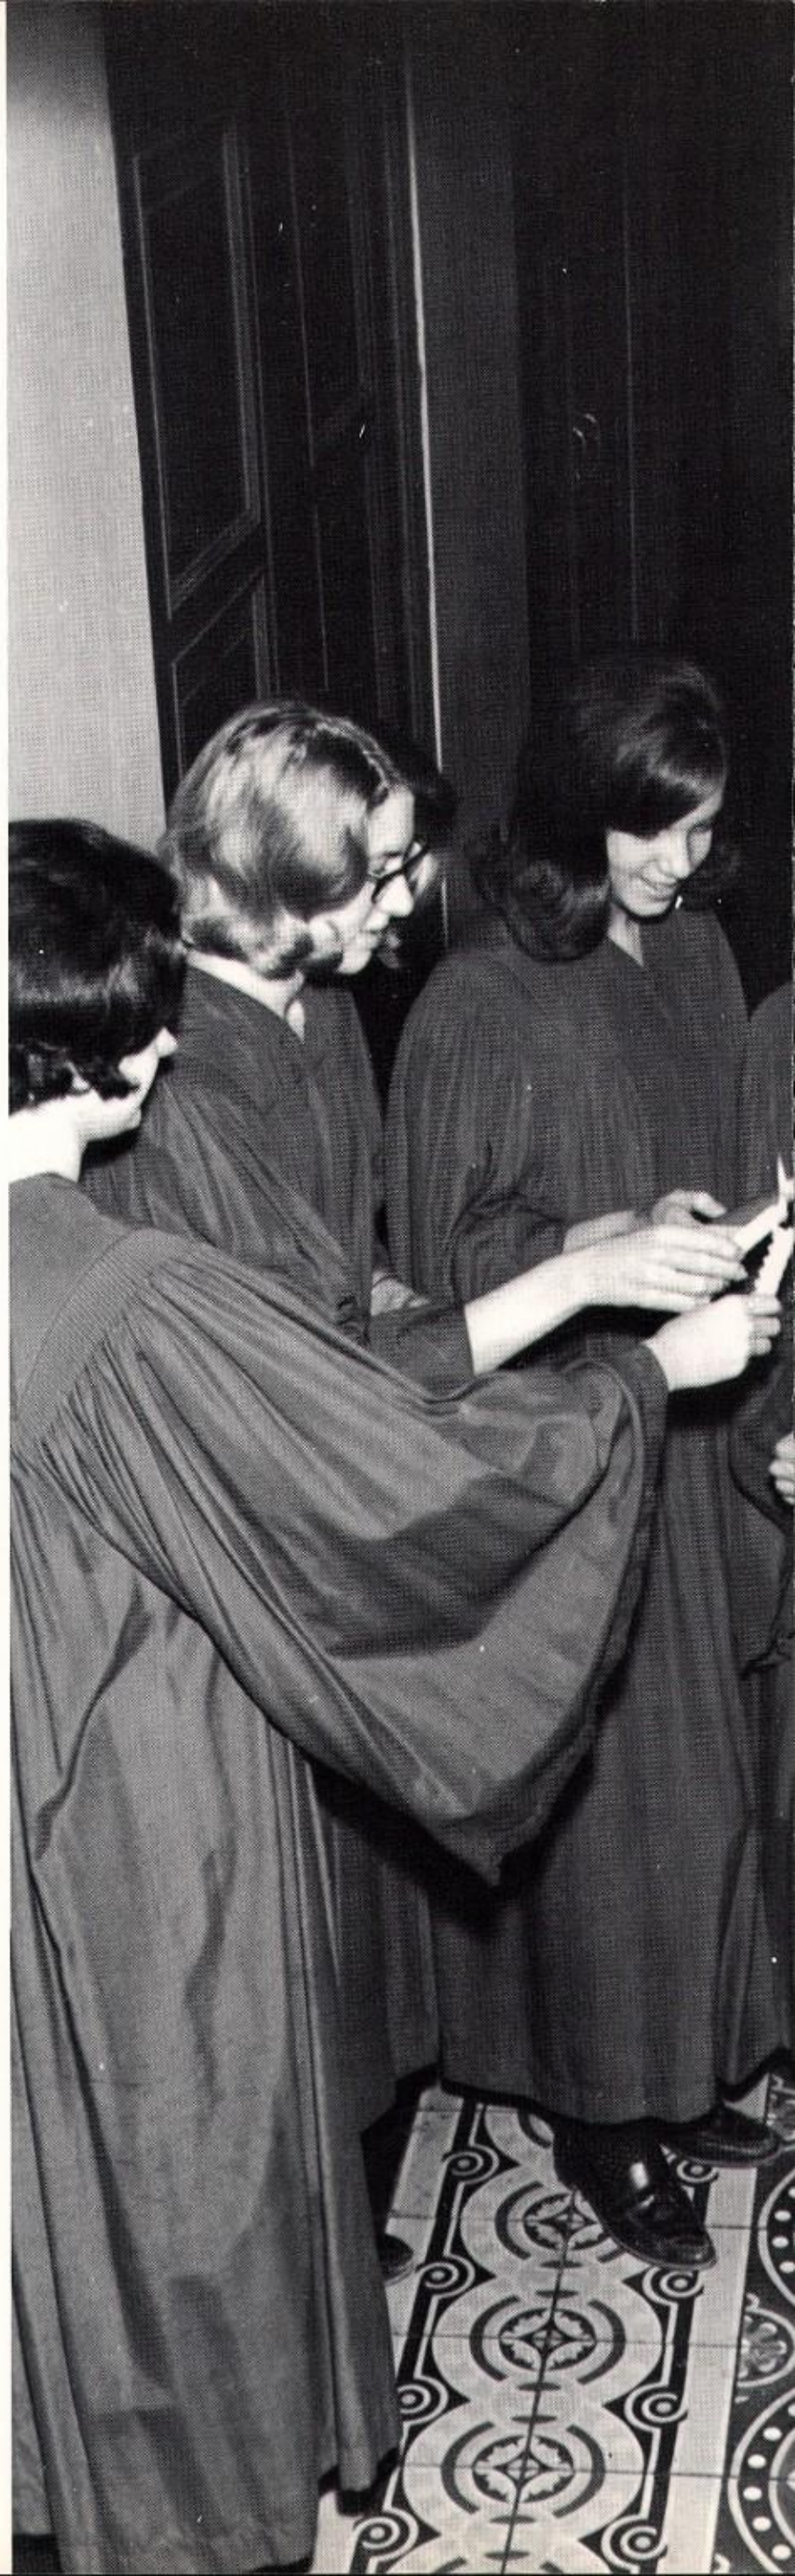
We loved Dr. Comer Scarborough. We knew that he was our friend. We knew that he was the friend of all who needed friendship. For our happy hours he was a winsome, genial companion whose kindly humor and witty quips delighted us long after the occasion which called them forth had passed. When we were beset by difficulties, he was a compassionate friend whose wisdom and understanding brought us comfort and needed strength. Our welfare was his deepest concern even when he himself was suffering racking pain.

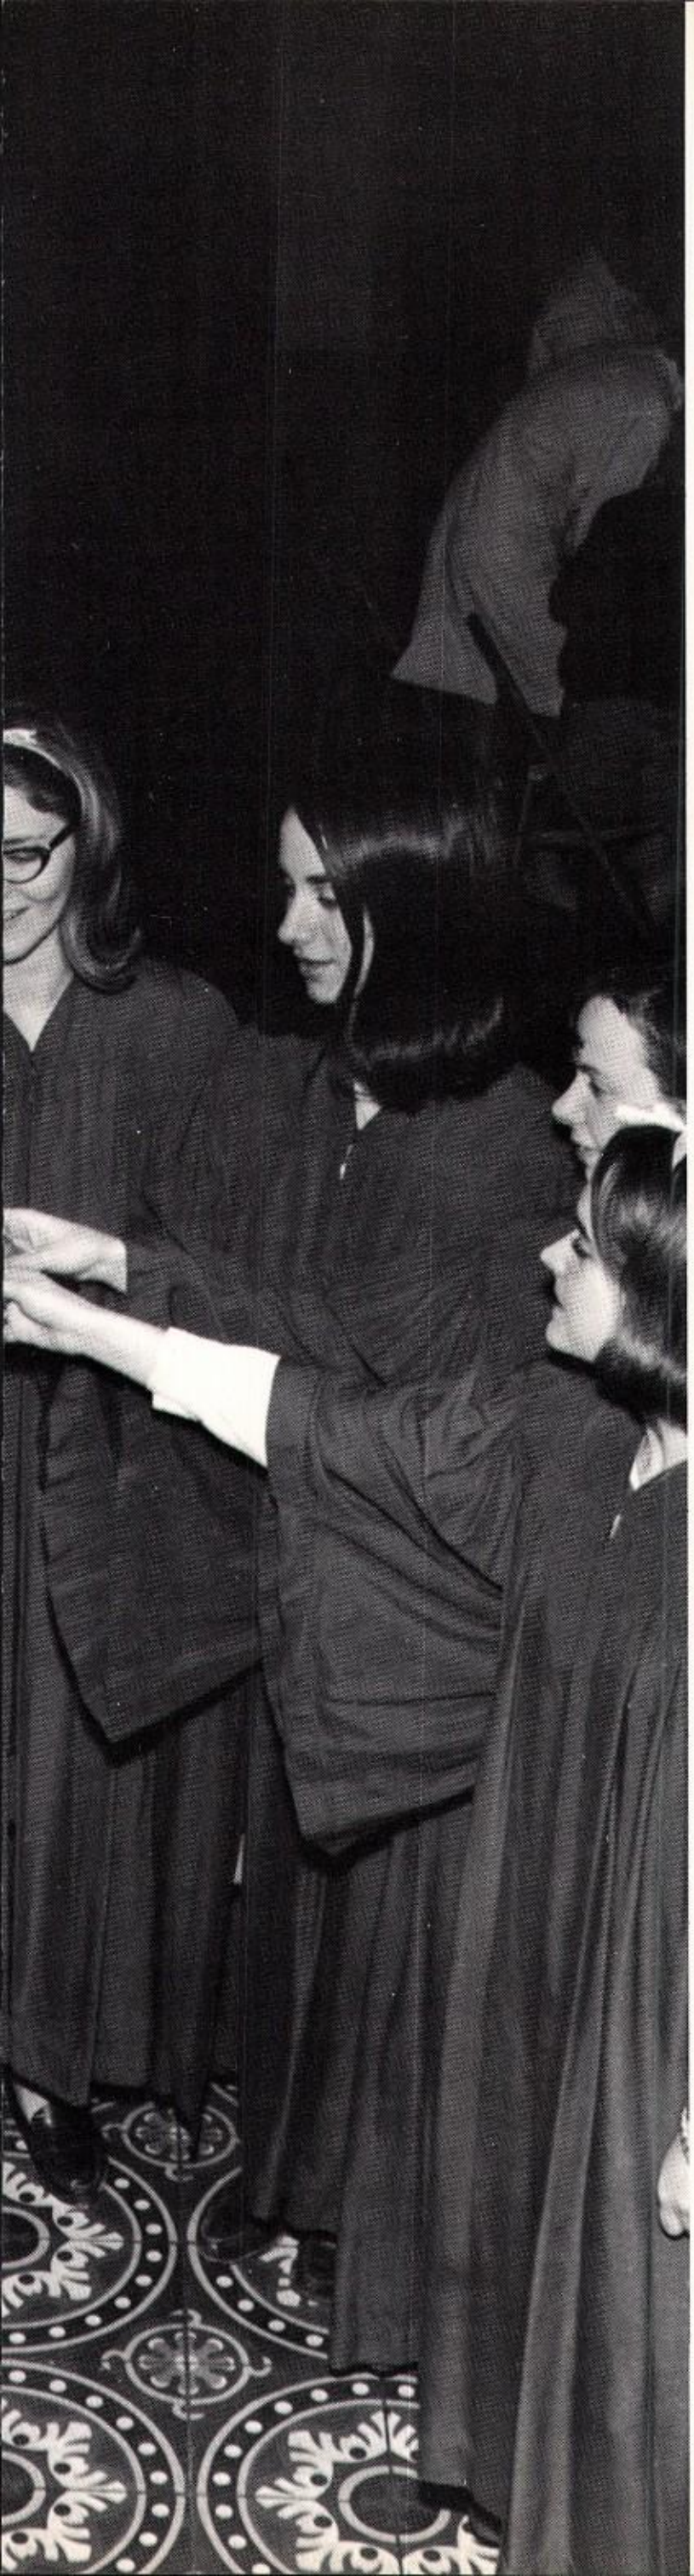
We admired and respected him as a sane, intelligent, courageous leader. Often when we were bewildered by choices, it was he who was able to direct us to the way of reasonableness and of integrity.

We revered him as one who sought with sincerity and humility to follow Him who taught that all men are brothers and that the second Great Commandment is, "Thou shalt love thy neighbor as thyself."

Surely this will forever be a better world because of our wise leader.

E. Lura Moore





Activities

Citizenship, leadership and scholarship are promoted by the twenty four organizations serving Murphy High School. Participating in club activities, pep rallies and assemblies, two thousand seven hundred thirty-two Murphians display their support to the roaring Panthers. These activities better prepare the leaders of tomorrow to serve the country.

Boosts Spirit Before Vigor Game

Spirits reign supreme as homecoming activities reach a peak.

Spirited Murphians filled the air with shouts of encouragement at pep rallies and field assemblies all through the year. To support the Panthers out-of-town as well as at home the Student Council and Senior Class each sponsored a bus trip. Enthusiastic students filled four buses going to Lanier and three to Pensacola. Burning the Vigor Wolves, made by the various clubs, boosted morale before the biggest game of the year, and a field assembly after the game featured the presentation of the Key Club trophy to Coach Anderson. A six-car pep parade before the game against Davidson capped off the football season.

Enthusiasm mounts as Nancy Dill and Judy Willson cremate a wolf.

Boosts Attendance At Games

Student Council President Joe Jones calls Monday representative meeting to order.

Murphy's Student Council is a vital force in the direction and organization of our school. Under the leadership of Joe Jones, the Council co-ordinates student activities and encourages better student-faculty relationships. It is composed of two main bodies, the governing council and the representative council, and it offers an opportunity for over one hundred students to become a working part of the operation of a large high school. During 1965-66 the student council sponsored bus trips, prepared Christmas baskets, sold parking spaces, made direction signs for the stairwells, and arranged homecoming activities. A voice from all sections in the representative council helped to translate the ideas of the student body into a working school policy.

Sheryl Wilson, Betty Harris, George Horton, Leo Jernigan, and Frank Daughtery help Miss Sparkman judge poster contest.

Winners In Four

One hundred nineteen students entered Murphy High School's Science Fair. Sponsored by the Chem-Bo-Phys Club under Mr. Burnham's direction, the 1966 Science Fair offered Murphy students the opportunity to seek recognition on the second and third of February. To give credit to the projects showing the best planning, judging was based on neatness, originality, artistic ability, presentation, and subject matter. Winners in the four divisions were Mike Thompson in physics, George Horne Jr., in biology, David Quackenbush in mathematics, and Robert Taylor in chemistry. Winners at Murphy's Science Fair then competed at the regional science fair at Spring Hill College.

1600 Parents Attend Open House

Mr. Young, Assistant Principal, has a friendly chat with an interested parent.

Discussion is the word which describes the Parent Teacher Association. Parents concerned with the welfare of all who are connected with Murphy High meet with teachers and principals to talk about both the accomplishments and problems of students. The annual Open House held on the twenty-eighth of October gave almost one thousand six hundred parents a chance to talk with teachers. Refreshments were served after a brief but important business meeting. The P.T.A. is another example of the concern of parents for the betterment of the community.

Christmas Assumes Many Aspects

Christmas at Murphy High School took on many forms. In the Horseshoe the Booster Club erected a Christmas tree decorated with ornaments contributed by students. Another aspect of the Yuletide Season at Murphy was the decorating of the doors of the various sections. Judging followed, and five-dollar prizes were awarded to sections 305, 162, and 114. Following through with the Yuletide spirit, sections were divided into pairs, and baskets of food were prepared for less fortunate families. Special assemblies capped the Christmas Season at Murphy. A joint program arranged by the Special Chorus and the Orchestra featured Christmas songs in a sing-along fashion.

Murphians Gain Top Three Honors

Early in the fall senior girls from sixteen Mobile County High Schools entered in competition for the 1966 Azalea Trail Queen. Faculty members submitted a list of senior girls qualified to represent Murphy. The contestants appeared before a faculty committee and twenty were chosen to be presented to the Senior Class. From these girls ten were selected to enter the county-wide competition held during the Greater Gulf State Fair. Here, the Trail Court was finally chosen and Murphy hailed six maids: Susan Beagle, Paula Longmire, Paula Raider, Susan Russell, Judy Willson and Katy Lou Warren. January 17, eleven finalists, five from Murphy, were selected to vie for the title of 1966 Azalea Trail Queen. Murphy girls, Katy Lou Warren, second-lady-in-waiting, Susan Beagle, first-lady-in-waiting, and Judy Willson, queen, captured the top three Azalea Trail honors at the coronation ceremony.

Susan Russell and Paula Raider sold the most tickets to the pageant and received a trip to Miami, where they participated in the Orange Bowl parade and halftime festivities. The 1966 Court members appeared in the Floral festival in New Orleans and the three finalists will represent the Mobile Jaycees at National functions during the year.

"Deep Purple" was the theme of the 1966 Junior-Senior Prom held on February 5. The Junior Class presented the Prom off campus at the Crystal Ballroom of the Battle House Hotel for the first time in recent years. Junior Class President Robert Cohen began the night's activities as head of the call-outs. Presentation of the officers of the Junior Class, Senior Class, and Student Council completed the Prom's formalities. Loretta Williams was the chief attraction. Under the direction of Mrs. Douglas the Junior Class assumed the role of host to four hundred Murphy students.

Murphians Celebrate '65 Homecoming

One of the biggest events of the school year is homecoming. Along with the gaiety of pregame activities comes one of the highest honors a girl is able to receive. There were two maids representing the sophomore class, and four maids came from the junior class. Elected from the senior class were six maids and Miss Panther who was chosen for the first time by the football players. The afternoon before the game found Murphy's student body at a field assembly viewing girls selected by popular vote. The former Miss Connie Jernigan, Homecoming Queen of 1955, had the honor of crowning Paula Raider. The parade of convertibles presented the maids in a rainbow of colorful formals, carrying large bouquets of yellow chrysanthemums. High spirits reigned supreme as the Golden Panthers clashed with the Biloxi Indians. The festive weekend, not soon to be forgotten, was capped off with a Victory-Dance in the cafeteria.

Twenty-five Staff

Christmas season arrives at Murphy as Business Manager Sarah Schear and Advertising Manager Anita Sellers trim the Mohian tree while Editor-in-Chief Jan King makes arrangements for the Christmas basket which was prepared for a needy Mobile family.

Work had long been underway on THE 1966 MOHIAN when students started pouring on the Murphy campus in September. No sooner had the staff heads been appointed than the task of selecting a capable and efficient staff to prepare the three hundred pages of copy began. Passing by room 181, one may find the staff members counting characters, writing headlines, or drawing layouts. This year the staff chose as its motto "Aim high not wide".

Twenty-five members selling calendars, bookcovers, advertising space, and subscriptions add to the financial well being of the book. Besides striving to produce a book worthy of an All American rating, the staff highlighted the year with the presentation of Panther Spirit Night, revealing outstanding seniors and the 1966 MOHIAN dedication.

Thirty-five members strong, the Hi-Times staff insures that Murphy students receive the news about the school. The paper includes news on several subjects: faculty, student government, and clubs. Directed by Co-Editors Lorraine Spann and Robert Dumas, reporters, writers, typists, and layout editors produce eleven copies in the year. First published in 1927, the Hi Times has won nationwide and statewide recognition. This year under the sponsorship of Miss Evelyn Hinz the Hi Times won the Alabama High School Press Association Sweepstakes Award, the greatest publication award within the state. Following its record, the Hi Times continues to be "Murphy's Blue and Gold Spirit in Black and White" for all students.

Present *The Night of January 16th*

Thirty members of the Four Arts Club and the twelve members of the stage crew presented Ayn Rand's *Night of January 16th* on the ninth, tenth, and eleventh of March. A comedy of modern times, the play consists of three acts. While the setting, a courtroom, and the plot, a trial, assume important roles in the play, the element of audience participation adds a special attraction to this drama. Members of the audience compose the jury. Since the jury is chosen at random, the outcome of the trial remains undecided throughout the play. Thus the actors had to learn two endings to cope with the final decision.

"You have no right to tell me where I can seat my witnesses."

"Mrs. Faulkner, one of us is lying and I think we both know which one."

As Stan Chassin, John Hansen, John Morrison, and Billy Dumas watch, Beth Williams pleads, "I want to go on the stand right away."

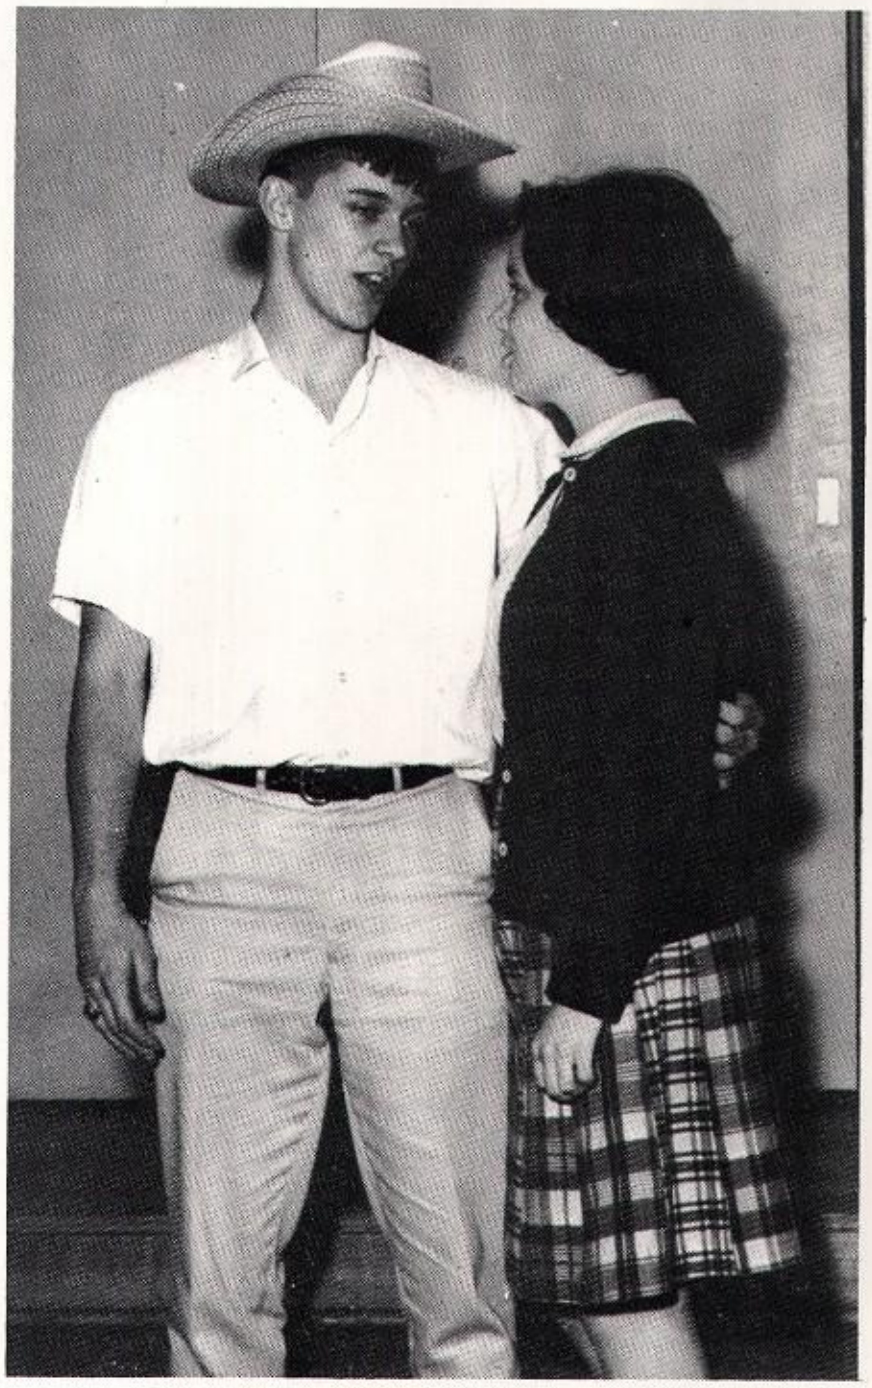
Gershwin's Operetta *Girl Crazy*

Entertaining the student body of Murphy High School on the thirtieth and thirty-first of March and the first of April, the Music Department presented George Gershwin's operetta, *Girl Crazy*. Participating in the production of this operetta were the one-hundred thirty-seven members of the Special Chorus and the All Girl's Chorus. Presented in two acts, the comedy has the one-horse town of Custerville, Arizona, as a setting. The plot deals with the misadventures and romances of individuals belonging to the high society of Hollywood, California, who invade Custerville.

"Don't go away," says Gloria Waters to Jerry Milam.



David Gwin and Martha Williams practice "Embraceable You".

"I Got Rhythm!" sings Linda Glissom to Eddie Davidson and Mike Jacobs.

25 Members Perform In *Girl Crazy*

Third period everyday twenty-five members of the Murphy orchestra practice for special assemblies and concerts. Directed by Mr. Charles Manchester, these musicians combine wind and string instruments to play both classical and popular music. Each member must have a basic knowledge of music and must be accomplished on one instrument. Besides entertaining at the Thanksgiving and the Christmas assembly, the orchestra also accompanied the operetta, *Girl Crazy,* and presented a program for TB Hospital patients.

Plia Dees changes music during practice.

Madrigals Chosen From Special Choru

Entertaining the student body through this year's operetta, *Girl Crazy,* and the special Thanksgiving and Christmas assemblies, the Special Chorus varies the atmosphere at Murphy High School. This serves to keep the student body alert and to forge another link between the students and the school. This group of Murphians, ninety-seven members strong, extends its influence outside the school to the community through civic programs of music. The benefits are by no means one-sided; members learn the necessity of cooperation and have the opportunity to develop their abilities. For those who have the desire and the special talents there is a select group known as the Madrigals which consists of eleven members of the Special Chorus: four senior boys, six senior girls, and one junior girl.

The Madrigals section leaders of the Special Chorus, are: Lynn Cunningham, Beverly Stewart, Janet Jordan, Duane Plash, Beverly Bringer, Terry Oshita, Mickey Parrish, Gloria Waters, Murry Hodge, Joan Norman, Bubba Strange.

Forty Members Learn Fundamentals

Forty members of the All Girl's Chorus, practicing daily first period to train their voices properly, learn the fundamentals of rhythm. Under the direction of Mrs. Myrtle Peter, this organization is designed to develop musical talents and elevate interests. Besides participating in assemblies at Thanksgiving and Christmas, the chorus took an active part in this year's operetta. The Monday evening before Christmas, the All Girl's Chorus in conjunction with the Madrigals presented a concert for parents and students.

Band Recognizes Promising Talent

Performing away from the campus, the Murphy band plays an important role in presenting the image of the school to the community. Whether on the gridiron or at a concert the band's seventy-two members bring the school closer to those who support it. This branch of the curriculum also serves to recognize promising young talent. Three years' worth of encouragement, guidance, and practice often serve as the incentive for a musical career. Members of the band also have the opportunity to compete throughout the state on both an individual and a group basis. The student body reaps the benefits of their talents through holiday assemblies.

Fifty Compete For Senior Speakers

Fifty participants competed for Senior Speaker finals in the auditorium February 15. The graduation committee selected the theme "What Graduation Means to Me", and the contestants composed a one minute theme on the subject. The speeches were judged on quality and delivery, and the English Department chose fifteen seniors to re-address the graduating class. The fifteen finalists presented their speeches to the senior class on February 18. The six seniors who were chosen to speak at commencement exercises were Gerri Andrews, James Blake, Norman Cox, Jerry Milam, Lane Knudsen, and Jean Strickland.

Quill and Scroll, an organization for students who have achieved outstanding accomplishments in the field of journalism, is designed to deem those worthy of membership. The care which must be used in writing good copy is symbolized in the Quill, while the permanent quality of good writing is symbolized in the Scroll. Those who excel in editorial, literary, art, and business departments of the Mohian and the Hi Times and who have maintained a "B" average throughout high school are eligible for membership in this organization. The program expressed the ideals of the society: loyalty, integrity, truth, learning, judgment, initiative, leadership, and friendship. FRAHS Observes 25th Anniversary

Celebrating its twenty-fifth anniversary this year is the Fan Randlette Art Honor Society. In observing the occasion, the club presented an exhibit of work done by former members who are now recognized artists. This display was held at the American National Bank in November. Late in October judges from the Mobile Art Association selected new Fan Randlette members. Their choice was based on the entries in the annual membership contest-exhibit. Following the contest, an induction meeting and party were held to welcome the twenty-one new members. Other activities of the art society included maintaining the bulletin boards in the Arts Building and keeping a scrapbook up to date. An annual Patio Exhibit in April gave members a chance to display their work. Named in memory of Murphy's first art teacher, this art group has been sponsored by Miss Kennedy since its beginning in 1940.

Lettermen Club Boasts 70 Members

Bubba Vaughn, Secretary; Mike Aycock, Vice-President; and Jocko Potts, President, head the 1965-66 "M" Club.

Murphy's "M" Club forged an additional link between Murphy athletes and the school. To boost morale for the finish of the football season, this group presented films of the Vigor and Biloxi games to the physical education classes. Capping outstanding seasons, the "M" Club sponsored banquets for the members of the basketball and football teams. An honorary club under Coach Lefty Anderson's direction, the "M" Club membership numbered over seventy. Members must have lettered in a varsity sport.

All members of Murphy's "M" Club must have lettered in a varsity sport.

ICC Coordinates Thirty-Five Clubs

Anita Sellers, Vice-Pres., Jackie Jerome, Treas., George Horton, Pres., Katy Lou Warren, Sec., and Miss Wall, Advisor, lead the campaign to keep Murphy's campus clean.

Coordinating the activities of the 35 organizations and clubs of Murphy High School is the Inter-Club Council. By recording all projects of their individual clubs, the ICC insures that these activities will not overlap when put into operation. Since the individual clubs share many of the same problems, the council provides an excellent opportunity to conduct discussions and arrive at satisfactory solutions.

The club presidents who comprise the ICC are trained in leadership and parliamentary procedure which are needed to run their organizations effectively. To beautify the Murphy campus, a clean-up campaign was sponsored by the ICC starting in January and lasting through June. At the end of the year, awards were presented to recognize some of Murphy's most outstanding organizations.

Leadership, High Morals Stressed

John McMurphy, Sec.; Mr. Heffington, Sponsor; Tom Galloway; Vice-Pres.; John Powell, Pres.; Bill Quina, Sr. Bd. Mem.; Derry Hargett, Treas.; and Jay Kayser, Jr. Bd. Mem., lead the 1965-1966 Key Club.

"We Build" is an appropriate motto for the Murphy High School Key Club. Since 1951, this organization has been striving to serve the school and community and to establish leadership and high morals among its members. Remaining active throughout the year, Key Clubbers raised the flag every morning before school, put out a student directory in December, and assisted the sponsoring Mobile Kiwanis Club in selling fruit cakes and concert tickets. In May they awarded the second annual R. L. Heffington College Scholarship to a deserving Murphy senior. All Key Club members were required to maintain a 6.5 average in school work and to have outstanding citizenship qualities. A board of teachers selected the 25 junior and senior members in November. Sophomores were chosen at the beginning of the second semester. Directing the Monday night meetings were John Powell, the 1966 president, and faculty advisor. Mr. Richard L. Heffington. They directed the Key Club in the support of the local established charities.

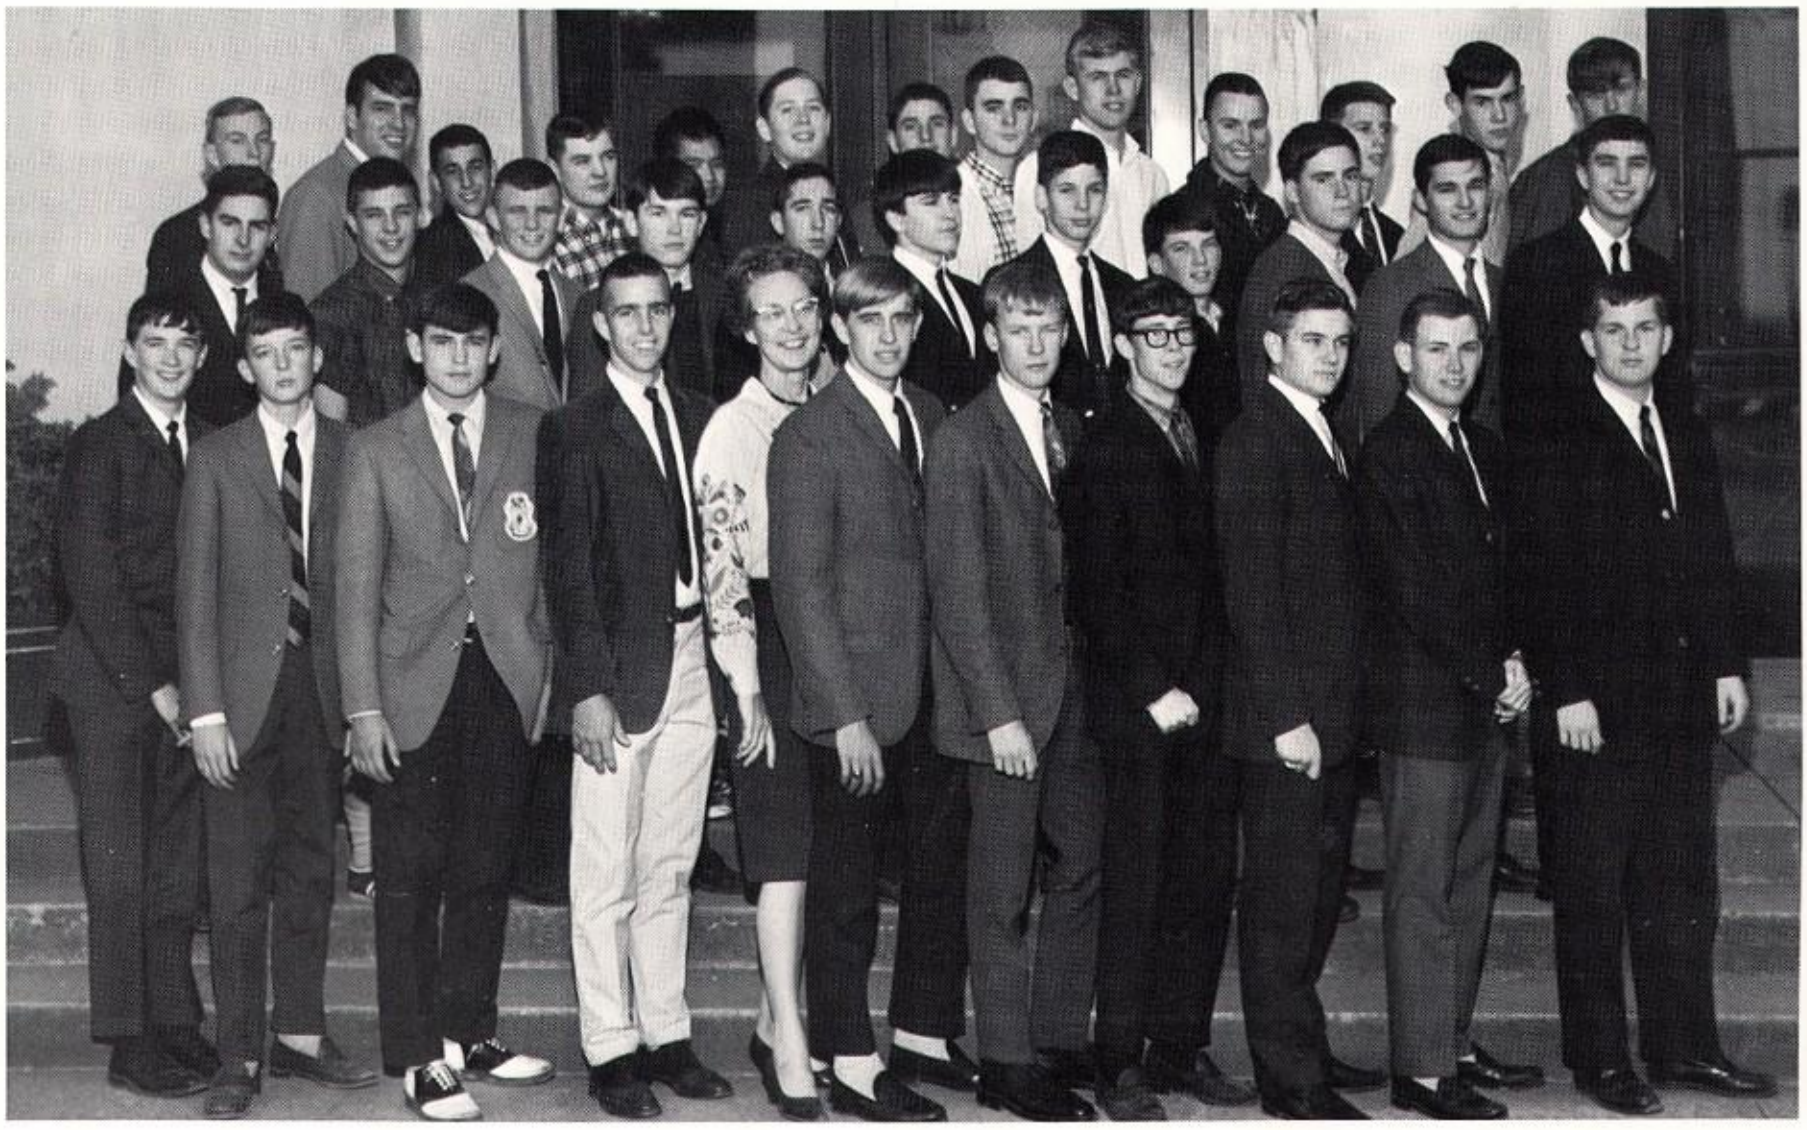
Members, left to right: *FIRST ROW:* John Powell, Neal Rowell, Dick Roshto, Billy Dumas, Robert Cohen, Susan Beagle, sweetheart, Jay Kayser, George Horton, Jimmy Robinson, Roy Benton. *SECOND ROW:* Earl McMurphy, John McMurphy, Sam Linnick, Bruce Lee, Joe Fritz, Bruce Finley, Derry Hargett. *THIRD ROW:* Tony Sessi, Joe Matzenger, Tom Galloway, Fred Kasten, Cliff Steckney, Bill Quina, Herndon Inge, and Mr. Heffington, Sponsor.

Ushers Assist Local Productions

Jim McGough, President; Mike Varhely, Treasurer; and Nat Sonnier, Vice-President, prepare to distribute programs for an assembly in the auditorium.

Assuming a significant role in presenting Murphy High School to the public is the Ushers Club. Mrs. Ruth Groom was the first faculty advisor of the group when it was organized twenty-four years ago. Since then, Murphy has been supplying ushers free of charge for both civic productions and school functions. The forty-five boys who compose this beneficial organization were chosen by their teachers on the basis of personal appearance, scholastic achievement, and also conduct. President Jimmy McGough and faculty advisor Mrs. Etta Frantzen scheduled ushering dates with the Joe Jefferson Players, Mobile Civic Ballet, and the Mobile Symphony and Civic Music Association. This organization also offers its services for all programs and assemblies held in the school's auditorium.

Members: *FIRST ROW:* Nat Sonnier, Tom Foster, Jim Fernandez, Larry Dalgo, Mrs. Frantzen, Sponsor, Khyle Jordan, Robert Williams, Walter Ogburn, Joe Reese, Wayne Peters, Jim McGough. *SECOND ROW:* Robbie McClure, David Gwin, George Horton, David Spies, Jay Kaiser, Greg Spies, Brad Green, Maury Brook, Frankie Kyser, Joe Fritz, Mickey McDonnell. *THIRD ROW:* Johnny Marshall, Neal Shaw, Robert Cohen, Mike Varhely, Bruce Lee, Maynard Cliff, Leon Maisel, Stan Akers, Skip Dorlon, Bob Dunn, Bill Spencer, Chandler Ogburn, Herbert Foster.



Monitors Check Traffic In Halls

Lydia Gibson, President; Mr. Dunn, Advisor; and Leland Allen, Vice-President, guide the 1965-1966 Monitors.

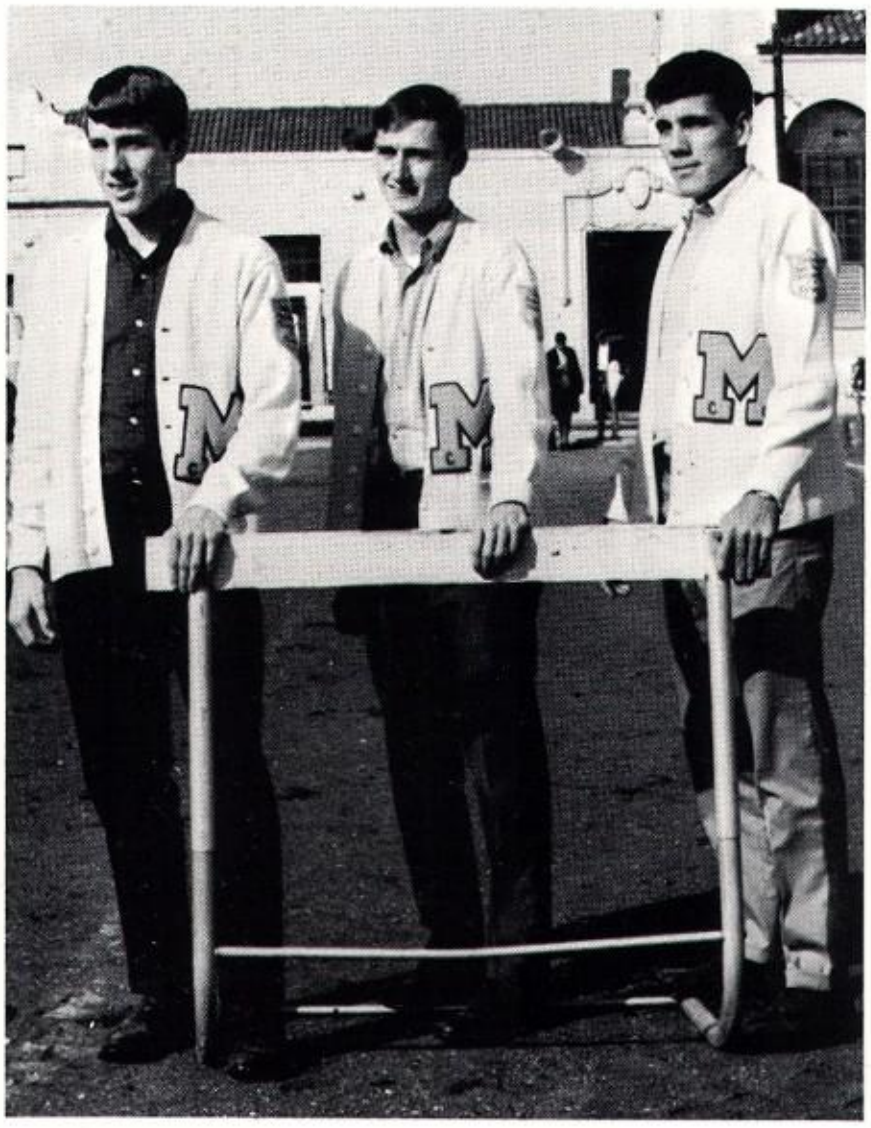
Controlling traffic in the halls of Murphy is the job of the Monitors Club. Each morning throughout the entire school year, the nineteen members arrived at school at 7:30. By keeping students without passcards out of the buildings, they relieved teachers of this burdensome task. All monitors were required to have good character and maintain a C average in school work. Faculty Advisor Mr. John Dunn and President Lydia Gibson headed the Monitors organizations, which was formally organized in 1955.

Holding the responsibility for keeping students out of the halls before school are: *FIRST ROW:* Mr. Dunn, Advisor, Lydia Gibson, Sandy Jones, Irene Bexley, Glenda Snow, Marci Wallace, Rebecca Quebedeaux, Dorothy Tooley, Carol Murray; *SECOND ROW;* Eugene Smith, Eddie Hickman, Leland Allen, Joe Hickman.

Lettermen Sponsor Jr. High Meet

Composed of lettermen in cross country, track, and field events are Spike Shoe Club members, *FIRST ROW:* Derry Hargett, John Crigler, Ben Wilson, Neal Rowell, *SECOND ROW:* Bob Taylor, Sandy Galdis, John McMurphy.

Vice President Neal Rowell, Treasurer John Crigler, President Derry Hargett organized the Christmas tree sale.



Organized seven years ago by Coach Fred Carley, the Spike Shoe Club annually recognizes those boys who have lettered in either cross country, track, or field events. Each year the lettermen raise money to finance their out-of-town meets. A December Christmas tree sale at Springdale Plaza and a car wash provided most of the 1965-1966 funds.

In addition to money-raising projects, the eight Spike Shoe Club members also sponsored the annual Jr. High School Cross Country Meet. This prepared younger boys for future competition in high school, while promoting the interest of Murphy's track team at local meets.

Boosters Mix Rally With Barbecue

Cheryl Wilson, Sec.; Mrs. Whitinger, Sponsor; Jean Strickland, Chaplain-Sgt.-at-Arms; Leann Frank, Treas.; Marilyn Sutts, Pres.; Barbara Amos, Vice-Pres., set good example by paying their dues early.

Eighty vivacious Booster Club members worked diligently to heighten school spirit for Murphy's sports events and to create greater support for all school activities. Meetings conducted by President Marilyn Sutts were held after school every second and fourth Tuesday of the month to plan spirit-raising projects. These included decorating the goal posts for each of our football games, announcing all sports activities over the P.A. system, holding a pep parade before the Murphy-Davidson game, and decorating the box seats at Ladd Stadium for homecoming. On November eighteenth the Booster Club sponsored a barbecue and pep rally. During the Christmas season this lively group added to the beauty of the campus by decorating an eighteen foot tree which was displayed in the horseshoe.

Chem-Bo-Phys Travels To Oak Ridge

Five hundred dollars was raised by the Chem-Bo-Phys Club this year to buy new science books for Murphy's library. Cookie and cake sales in October, as well as the second annual Chem-Bo-Phys Talent Show on November 18, were the main fund-raising projects. After donating the science books, many of the one hundred four members participated in a field trip to Oak Ridge, Tennessee, and Huntsville, Alabama, during March 19-21. Sponsored by Faculty Advisor Mr. Glen O. Burnham and headed by President Norman Cox, this organization advanced sciences of all types at Murphy and provided a place for science students to meet and share experiences.

Treasurer David Quakenbush, Sponsor Mr. Burnham, Vice-President Jackie Jerome, Recording Secretary Diane .Lundy, Corresponding Secretary Cathy Terril, and President Norman Cox assume officers' duties in the Chem-Bo-Phys Club.

Red Cross—110 Members Strong

Training students in community responsibility and service is an important role of Murphy's Junior Red Cross Club. Every month, the 110 members undertook at least one beneficial project. These consisted of taking the aged to see the Christmas lights in December, accompanying crippled children downtown on Mardi Gras Day, observing Teachers Appreciation Week in the month of April, and helping to improve the beauty of Murphy's campus in May. In addition, the organization sponsored parties for the Boys' Club, Child Day Care Center, Mulherin Home, and the children's ward of the Mobile General Hospital. Each section in the school elected one representative to attend the Junior Red Cross Club meetings and help to organize projects and activities for the 1966 school year.

Pinata Broken At Christmas Party

Two new additions were made to Murphy's Spanish Club this year. For the first time, one student from every Spanish class was chosen to serve on a board of representatives. The job of each representative was to report to his class all meeting days and activities of El Circulo Español. The club's constitution was also amended to add the office of publicity co-chairman. At regular meetings, speakers, programs, and films were designed to promote interest in Spanish-speaking countries, their customs, heritage, culture, and ways of life. Murphy's exchange students from Guatemala and Mexico City were guests at several of the meetings and spoke about their countries. The Christmas party on December 16 featured the breaking of a piñata made by five club members. Boasting one hundred forty members, El Circulo Español held its banquet in May at which time the new officers of the club were announced.

Y-Teens Kept Trophies Polished

Cynthia Geiger assists President Linda Sumrall in polishing one of Murphy's golf trophies.

Goals of the Murphy Y-Teens are threefold. The first is to grow spiritually as a person. The second is to grow in friendship with people of all races, religions, and nationalities. The final aim is to grow in both the knowledge and love of God. Although Y-Teens has social events, it is first and foremost a service club, rendering aid to both school and community. Each month the five members participated in at least one beneficial project. In November they raised money for supporting the Inter-Club Council's exchange student sponsoring program. During January, they enhanced the appearance of Murphy's trophy case by polishing the many awards won by Murphians in the many fields of competition.

Y-Teen members Cynthia Geiger, Linda Sumrall, Mrs. Turner, Advisor, and Barbara Saad are responsible for keeping the trophies in the trophy case polished.

Biblical Biographies Discussed

Barbara Sobieski, Vice-Pres., Teresa Girod, Pres., Miss Hope, Advisor, and Gloria Waters, Sec., plan the daily devotional.

"Study to show thyself approved unto God, a workman that needeth not to be ashamed" (II Timothy 2:15). Following this motto, the Bible Study Club endeavored to enrich their lives with a better understanding of religion. Meeting every third Thursday of the month with their faculty advisor, Miss Katharine Hope, the main topic of discussion for the club this year was biography in the Old and New Testaments. At a few meetings, slides of the Holy Land were viewed. The 18 members planned the devotionals to be announced on the P.A. system every morning and afternoon. As a concluding project, the Bible Club made its annual donation of a religious book to Murphy's Library.

Debaters Attend Nine Tournaments

Negative team members George Ewert, Mike Varhely, Carolyn Weeks and Cathi Conditt practice debate techniques with Miss Nichols' supervision.

"Resolved: That the federal government should adopt a program of compulsory arbitration in labor-management disputes in basic industries." This topic was debated by members of Argument, Incorporated in nine interscholastic forensics tournaments at various high schools and colleges in this area. These tournaments took them to such places as Emory University, Howard College, the University of Alabama, and Loyola University. Debaters, under the leadership of President Mike Varhely, conclude each school day studying the techniques of debate and preparing for competition. All Murphy students were eligible for membership in Argument, Incorporated, which was first organized in 1916 as the Barton Debating Club at old Barton Academy.

President Mike Varhely explains a debate topic to Carolyn Weeks, Treasurer; Patsy Busby, Vice-President; Sharon Munger; Secretary; and Miss Nichols, Advisor.

Business Methods Studied By FBLA

Attending the Alabama state convention at Jacksonville State College was the high point of the year for the forty members of Future Business Leaders of America Club. Here they competed against other clubs from all over the state in parliamentary procedure, oratory, typing, shorthand, progress reports, and spelling contests. Additional trips were taken to local banks and employment and office departments of various stores. These trips help students develop a better understanding of all aspects of the business relationship. Each commercial class was represented in FBLA by a student with a C average or better. By participating in the activities of the club, members prepare to take the place of today's business leaders.

President Alice Jackson and Treasurer Gerry Jean Frake prepare program material for Monday night meeting.

Members Linda Johnson, Kathleen Smith, Betty Buckley, Garry Williams, Diane Palmer, Alice Jackson, and Gerry Jean Frake represent each business class.

Annual Tea Honors 125 Teachers

Future Teachers Margaret Jackson and Christine Fell make plans for the FTA state convention with sponsor, Mrs. Cropp.

Through the Future Teachers of America, practical experience is offered to those interested in the field of education as a career. The eleven members learned about instructing at many different levels by observing classes in elementary and junior high schools and by assisting Murphy teachers. On January 7 and 8, three club members and their faculty advisor, Mrs. Barbara Cropp, attended the FTA state convention in Montgomery. After their return, they initiated a "teacher of the week" award to recognize deserving members of Murphy's faculty. The annual tea held in the month of March in the cafeteria honored the one hundred twenty-five Murphy teachers.

Future Teachers Margaret Jackson, Freda Wilson, Christine Fell, and Sharon Mayer, with the aid of their advisor, Mrs. Cropp, gain practical experience in the field of education.

F.N.A. Aids Dedicated Gray Ladies

Since 1949, the Future Nurses of America Club has helped Murphy students explore the requirements and benefits of a career in nursing. By aiding the Gray Ladies in the medical unit, the 25 members acquired valuable experience in administering first aid. They also gave parties at children's homes during holiday seasons. On the second and fourth Thursdays of the month, speakers from local hospitals and clinics inspired members to enter into the field of medicine. Officers for next year were installed at the annual Future Nurses banquet held in the spring of the year.

Seventeen Gray Ladies Aid Unit

Mary Anne Kustura, Alexis Crabtree, and Nancy Smith await their Junior Gray Lady induction.

Seventeen mothers of Murphy students volunteered to take a course in first aid offered by the Mobile Chapter of the American Red Cross. These women were inducted as Gray Ladies in September and served the school by caring for students who became ill. Working in shifts, 4½ hours a day, one day a week, these devoted women saw to it that there was always someone on duty in the medical unit during school hours. Also working in the medical unit were sixteen Junior Gray Ladies. This group consisted of interested students who worked daily during their free period.

Mrs. Barton is formally installed as one of Murphy's seventeen Gray Ladies by Mrs. Glaeser.

Mrs. Cahill, R.N., instructs students Mrs. Kugler, Mrs. La Grave, Mrs. McGonigal, Mrs. Cantrell and Mrs. Barton.

Mrs. Edgar and Mrs. Rowse complete daily records in the medical unit.

Sports

Working in close cooperation with the coaching staff, nearly three hundred athletes have led the way for an impressive over-all athletic program at Murphy High School this year. The program offers opportunities for youth who excel in football, baseball, basketball, tennis, golf, track, wrestling and cross country. In good sportsmanship, stressed by the seven men and two women coaches, lies the pathway to physical excellence and athletic achievement.

Enthusiastic Cheerleaders Spread

"Fight, Team, Fight!" the relentless battle cry, has been echoed throughout the year at ball games and pep rallies. Shouting forth chants of encouragement, our cheerleaders strove to promote more school spirit in the student body. Leaders on the field and off, they supported the Cats at all their athletic contests and school events. Besides backing the team, they burned the wolves at the bonfire before the Murphy-Vigor game. Ten energetic girls, headed by Susan Beagle, sold booster ribbons to pay for traveling expenses, uniforms, and shakers. Their enthusiasm sparked the Panthers to many victories during the year.

Panthers Bury Wolves 14—6

Murphy's Blue and Gold smashed a decisive victory over the Wolves of Vigor High although Vigor was higher ranked in the U.P.I. high school standings. The Cats' defense held the Wolves to only one first down in the second half and intercepted two of Hunter's aerials. Don Page led the Panthers down the field in six plays following the second half kickoff. The drive went 62 yards and Page capped it with a 10 yard bootleg sprint around right end. Mike Aycock booted the point after to put the Murphy Panthers ahead 7—6 late in the third period.

Murphy clinched the victory with an eleven play, 16 yard drive late in the fourth quarter. Jocko Potts, alternate quarterback, took over the drive at Vigor's 30 and carried the Panthers on in with a 16 yard pitch to halfback Philip Gilchrist with 2:18 left. Aycock kicked the extra point. The victory was the fifth in a row for Coach Lefty Anderson's Panthers, whose fans were chanting "We're Number 1".

MURPHY'S RED LETTER DAY!

Panthers Trap Bobcats 35—0

Blasting off the 1965 football season, the Panthers bombarded the Bobcats of Theodore 35—0. The Panthers gained 51 yards in 11 plays to score early in the first period. A Page to Vaughan pass of 36 yards set up the Golden Panther's second touchdown. Early in the second quarter a Theodore fumble set up Terry Page's final 8 yard run for the third touchdown posting a 27—0 lead.

With Clint Keltner doing most of the gaining early in the final period, a Page to Gilchrist pass, covering 17 yards set up Murphy's fourth score. Untouched by the offensive team, guard Kim O'Neal raced 35 yards for the final six pointer of the game after intercepting a Bobcat pass.

Junior Gene Bailey pushes back Theodore's defense.

Murphy Racks Raiders 27—0

Rejecting the Raiders was not hard for the unbeaten Panthers. With 1:39 left in the first half, fullback Mike Fitzhugh scored with a five yard run. Halfback Mike Aycock converted. In the second half touchdowns came easier as the Panthers, moving 48 yards in five quick plays, made a third quarter touchdown. Don Page, during the drive, shared duties with quarterback Jocko Potts. Aycock converted. Terry Page ripped off a 52 yard run for a fourth quarter T.D. and the final score came on a 33 yard pass from Potts to end Bubba Vaughan.

Clint Keltner sidesteps a Rains quarterback.

Tornadoes Untwisted 42—7

Murphy's Jungle Cats, scoring the first three times they had possession of the pigskin, rolled on to a 42—0 victory over the Laurel Tornadoes. Quarterback Jocko Potts made the first score when he ripped off a 20-yard run. Don Page dashed 19 yards for the next T.D. in the first quarter. Plunging into the end zone early in the second period, Clint Keltner made the Panther's third touchdown. Page capped a drive after the second half kickoff, scoring on another 19-yard run. In just four plays, 65 yards were covered for the next score. Fullback Mike Fitzhugh made the Cat's fifth T.D. after a pass interception, sprinting 40 yards for the score. This was one of seven interceptions turned in by the alert Panther defense. Junior halfback Terry Lee Page was the big gun with 331 yards gained against the opposing team. Terry Page scored three touchdowns, twice on runs of 19 yards and went 25 for the final T.D.

Coach Anderson accepts congratulations from Coach Poole of Laurel.

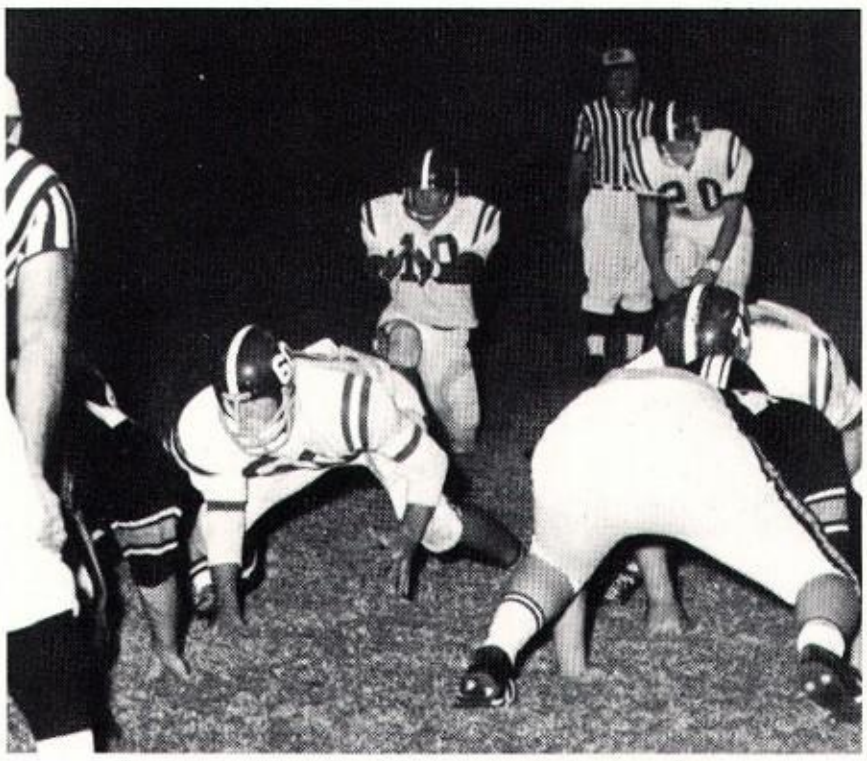
Mighty Cats Collar Bulldogs 28—0

Murphy's Blue and Gold smashed into the first period with a 75 yard, 16 play drive for the first touchdown. Clint Keltner rammed over from the one to cap the main drive with halfback Mike Aycock kicking his thirteenth extra point of the season. Potts, who intercepted two of Fred Coats' passes, returned one 30 yards for a T.D. and carried another back 17 yards to set up an end zone run at the three yard line. Mike Fitzhugh plunged across from the one to score Murphy's third six pointer.

Pearly Howell, notable in Murphy's defensive line, intercepted a Coats pass at the Soldier's 22 and in five plays Aycock scored from the two. Howell also blocked a Cadet punt which was recovered on the U.M.S. 16 yard line with Murphy beating the Bulldogs 28—0.

U.M.S. Cadets try in vain to stop Senior Jocko Potts.

Cats Fumble Away Game 17—0



Kicking specialist Mike Aycock boots all extra points.

After receiving API's No. 1 rating, Murphy's Panthers became over-confident and fumbled away the game, 17—0, to the Poets of Lanier. All of Lanier's scoring was accomplished by the Speigner brothers, Danny and Jimmy. Danny got 11 points with a 30 yard field goal, a score, and two extra points while Jimmy, a center, ran back 55 yards for the other T.D. Danny's field goal was the only scoring in the first half, coming at the end of a Poets' march that had gone 55 yards before being upset by the Cat defense. In the third period Murphy managed to move the pigskin to the Lanier 38 yard line, where disaster struck. Jocko Potts attempted a pitchout to Philip Gilchrist but the pitch was faulty. Speigner picked it up at the Lanier 45 and scampered to the goal line for their next score. A Cat fumble set up the Poet's last seven points.

Junior, Paul Himes, carries in a decisive play from Coach Anderson.

Yellow Jackets Jarred 32—6

Coach Anderson's Cats revenged the 1964 Homecoming loss to McGill in '65 with 32—6 win. The Cats entirely overpowered the Jackets, giving them only 5 first downs with Murphy taking 13. Junior Terry Page started the Panther scoring drive on a 55 yard punt return late in the first quarter. Clint Keltner scored twice on runs of one and 63 yards. He also finished with 145 of the Blue and Gold's 214 yards on the ground in 16 carries. Mike Aycock's kick went through. Murphy's Bill Vrocher recovered a McGill fumble at the Jacket 19 to set up Murphy's next tally. Six plays later, Keltner rammed across from the one and Aycock booted the point with 5 seconds left in the first period. The Panthers moved 39 yards in 5 plays for the next T.D. Keltner ran four straight times moving the skin to the five after Terry Page's goal line fumble was recovered in the end zone by Bubba Vaughn for the late first half score. Aycock missed his kick. The next sixpointer came when Keltner sprinted 63 yards following a host of blockers. Aycock missed his boot. Murphy threatened twice in the third quarter, giving up the ball both times. Jocko Potts tossed nine yards to George Horton for the six pointer and Mike Aycock failed in the extra point attempt.

The Jackets got their T.D. on bombs by quarterback Mike Sanders. He tossed it to end Bill Barnwell for the score but Barnwell missed the conversion.

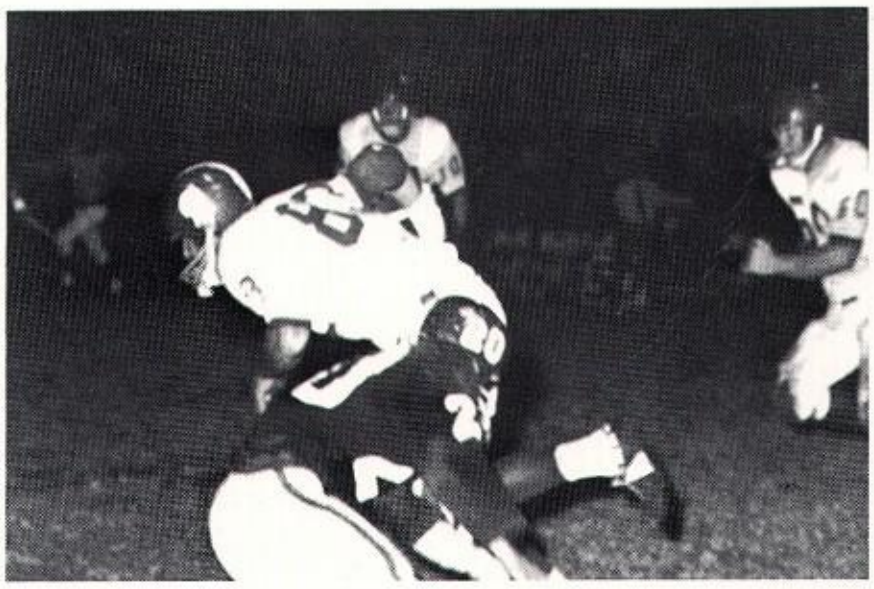
Murphy Tromps Pensacola 12—0

Pensacola's Tigers, never moving past the Murphy 26 yard line, fell under the attack of the Cats 12—0. The Panthers put their first six points on the scoreboard midway in the first period. Jocko Potts fielded a punt and returned it to the Panther 33 but a penalty against the Tigers pushed the ball to the Cat's 48. Don Page put the 52 yard pay-off march in motion by plowing to the Pensacola 34 on a keeper play. Clint Keltner raced to the 26 and again to the Tiger 14. Getting a first down at the Pensacola three, Mike Aycock plowed to the one. Keltner burst into the end zone from that point, with Aycock's kick sailing to the left. For Murphy's second period score, Potts threw Gilchrist an end zone pass and Aycock's kicks sailed right with Murphy's Blue and Gold tromping over Pensacola's Tiger team, 12—0.

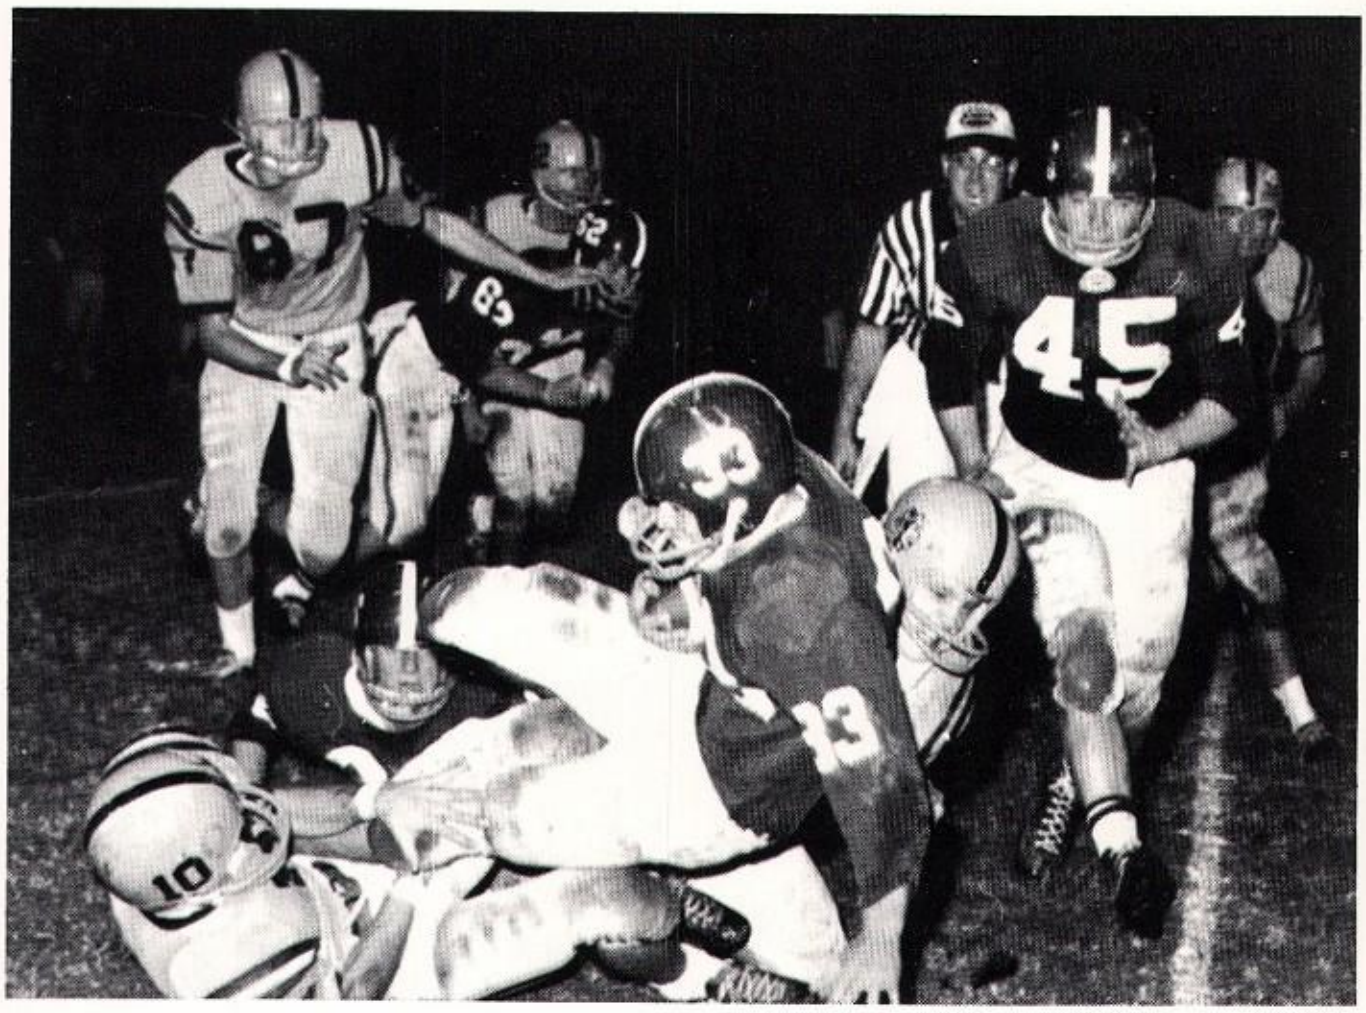


Mike Aycock sets final arrow into a Biloxi Indian.

Indians Scalped 21—7

Murphy's Homecoming Game set the site for the Biloxi Indians' defeat, 21—7, for the Cats' seventh victory. Mississippi's Number 2 team began the game with a 67 yard touchdown run in the first period to stun the Cat defense. At last the Blue and Gold crashed 83 yards on a 10-play drive that followed the Indian kickoff for their first score. Clint Keltner blasted the final three yards for the points and Mike Aycock equaled the score with the first of three successful conversions. Jocko Potts intercepted a Biloxi pass, to stop their drive, and scampered back 80 yards setting up the next points with four minutes left in the game. Two plays after the kickoff, a Biloxi pass was intercepted by 155 pound sophomore quarterback, Philip Gilchrist at the Indian 39 to set up Murphy's final tally. Keltner tore off the right side for a 33 yarder to the six on first down, blasted to the two on the next play and finally banged in with 2:02 left in the half. Mike Aycock converted assuring the win for Murphy.

George Horton shoots for extra yard.



Davidson Warriors finally drag down fullback Clint Keltner.

Mike Fitzhugh, with a host of blockers, pushes past the Davidson Warriors.

Warriors Shut Out 14—7

Closing the 1965 football season with a nine and one record, Murphy's Blue and Gold plastered a finishing win of 14—7 over the Warriors of Davidson High. In the final game Murphy got both T.D.s as a result of bad snaps from the Davidson center. The first high center sailed over Davidson punter Robert Campbell's head, and when he tried to recover the ball it was fumbled in the endzone, and Murphy tackle Bill Vrocher fell on it for a touchdown. Davidson's six pointer came in the second quarter following a 48 yard pass play from quarterback Wade Boyette to speedster Jack Yerke, who took the ball after completing their first pass in eight tries. The second time, however, Campbell had no chance to get the punt away, and Murphy took over on downs at the Davidson 10. On the first play Murphy fullback Clint Keltner blasted off the left side of his line and went into the endzone standing for the score that broke the 7—7 deadlock with 4:58 left as Mike Aycock converted.

Season Ends With 1785 Points

Sporting an almost perfect record, Murphy's Panthers were seeded number one in the District Tournament. During the regular season the Cats won 3 tournaments: The Mobile County Conference Championship, beating Vigor 49 to 40 in the finals; defeating Rutherford 53 to 51 in the Fairhope Invitational; and mauling Biloxi in the finals of the Pascagoula Invitational Tournament 64 to 40.

The Panthers roared to a 78 to 73 victory over Lanier who was ranked number one in the state at the time. Vigor bowed to the Cats four times during the regular season for a total of 167 points to the Wolves' 150. Eddie Hart, the big man for the Panthers with an average of 18.8 points and 11 rebounds per game, was also chosen for each of the all tournament teams. Lee Thomas was next with an average of 11.2 points and 5.3 rebounds. Coach Le Vaughan Hank's hoopsters compiled 1785 points with opponents scoring 1547 points during the regular basketball season.

Golden Panthers Outclass Vigor

Springing off to a good start, the Blue and Gold Cats captured three Tournament crowns before the mid-season. The Cats' first tournament, The Mobile County Conference Championship Tournament, ended with Murphy on top, 49—40 over Vigor. Center Eddie Hart was chosen for the All-Star squad and also scored 17 points for the Panthers. Murphy's second title was the Fairhope Invitational Championship, with the Cats growling to a 53—51 victory over Rutherford High School of Panama City, Florida. Hart was chosen to the All-Star Team in this tournament while Bill Conerly was high scorer with 24 points. Seniors Eddie Hart and Jocko Potts were tied for the Panther high-scorer position in the Pascagoula Invitational, each scoring 17 points. The cagers of Murphy won this tournament, 58—51 over the Vigor Wolves, chalking up a third straight win over the Wolves this season. Hart was also chosen to represent Murphy on the Pascagoula Invitational All-Star Squad and was awarded the Most Valuable Player trophy.

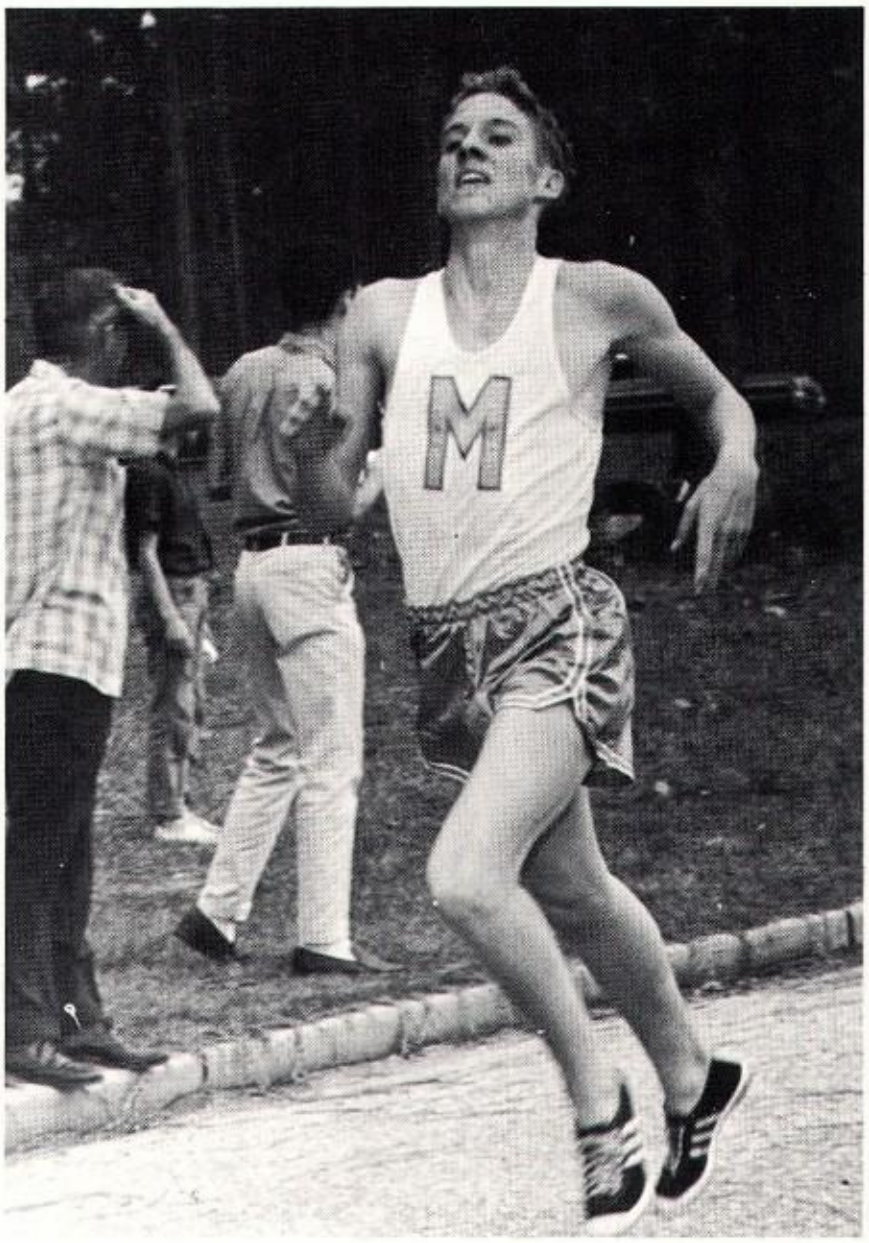
Coach Carley's Cross Country Team

Anticipating their competition, the members of the cross country team rest before meeting Rain.

Coach Fred Carley's cross country team, following a perfect season in 1964, won all of its dual meets this year. The McGill Relays was the only large meet won by the Cats. Murphy's Striders placed second in Calloway Gardens Meet losing by 59 points to Dykes of Atlanta. The Mobile County Conference Championship was won by McGill. Derry Hargett placed third after two McGill runners. These three runners reset the County 1.8 mile time, lowering it by 7 seconds. At the State Meet, the Blue and Gold placed 7 points behind the leader, Sidney Lanier. Coming in first at the Troy State Invitational was Murphy's Hargett as the team placed third, 21 points behind Vigor and 1 point behind McGill.



Neal Rowell hits the finish line, far ahead of the other runners.

Tennis Club Organized As Team

Originally established as a club, girls' tennis was organized as a team this year with Mrs. Barbara Douglas as coach. Setting up a challenge ladder, the team members held practice sessions every Saturday morning at Municipal Park to vie for position. Holding the number one spot on the team was Betsy Sanford who is also Alabama's 16 and under girls' tennis champion. Ginny Bolling, Judy Lauter, and Betsy deBakey occupied the next three slots. In 1965, the Murphy netters placed first in the state high school tournament held at Samford University.

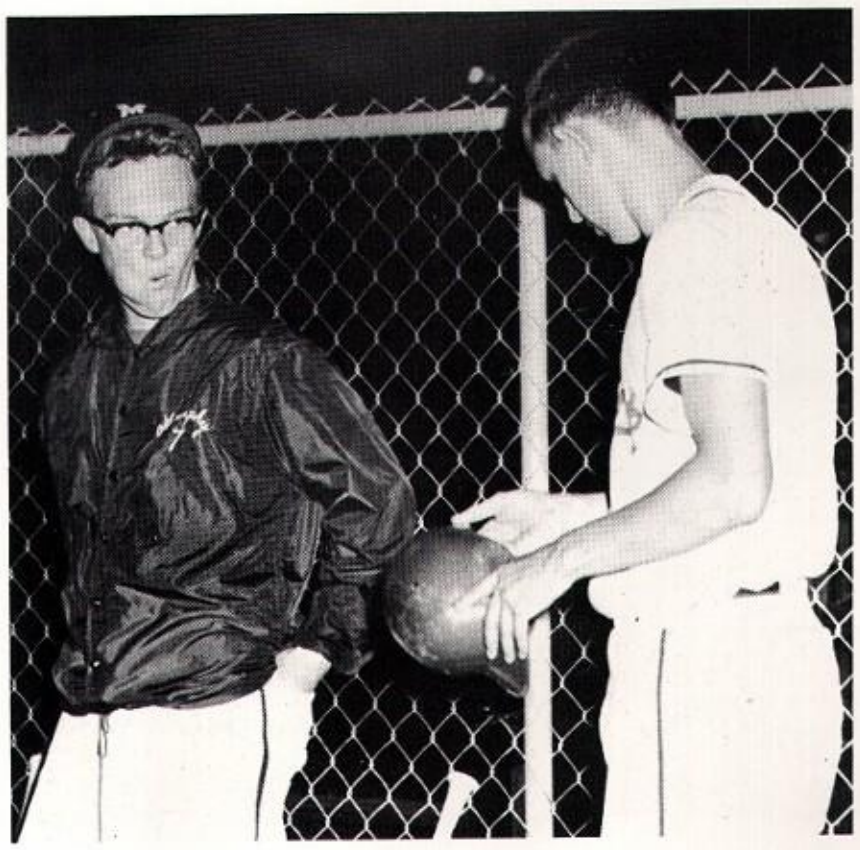
Murphy Sluggers Have 16—5 Season

Pitcher Joe Bracewell and center fielder Don Page await their bat as Murphy overpowers UMS.



Sparked on by Coach Ben Glover and Coach Robert Shaw the Murphy Panthers racked up a sixteen win to five loss record driving its 1965 baseball season. Having at least one returning letterman for every position, the team was composed of four sophomores, eight juniors, and seven seniors. Winning the most games was junior pitcher, William Conerly winning five and losing none. Pitching the most games was senior, Ray Bishop who won four while only losing three.

Six top players of '65 were Raymond Parker, Wayne Boatman with Don Page, Jocko Potts, and George Horton playing every game. The highest batting average was hit by Don Page with Jocko Potts and Don Page hitting the most home runs. This year there are four juniors and seven seniors returning to start the season.

Intramurals Promoted For Students

Intramural sports participants: *FIRST ROW:* Mrs. Barbara Douglas, Linda Elliott, Joyce Peacock, Katie Peacock, Wanda Boggs, Anelda Lewis, Dora Eubanks, Elizabeth Kinsey, Miss Linda Sparkman; *SECOND ROW:* Betsy Sanford, Miriam Sauls, Nancy Smith, Sandra Malone, Cathi Hughes, Miss Catherine McNally, Lola Pyle, Linda Farnell, Ann White, Saundra Jordan, Billie Jewel Molpus.

Boasting the highest bowling averages are Janet Jordan with 147 and Liska Wheeler with 120.

Table-tennis champion, Betsy Sanford, wins tournament.

Interested In Friendly Competition

To promote the interest of all students in sports the Physical Education Department sponsored intramural activities for the first time this year. This program enabled more individuals to develop interest and skill in athletics. To attract the maximum number of students, the department offered a wide range of sports. Participants achieved personal recognition through competition for the individual; through teams they learned the need for cooperation. Murphy students took advantage of this opportunity in varying numbers: seventy-three participated in table tennis, forty went bowling, ninety played volleyball, thirty-six played basketball, and six ran track, during the season.

Anelda Lewis works out during intramurals.

Referee Joyce Peacock jumps the ball for Alice Litton and Cindy Tanner as Ann White waits to intercept.

Wanda Boggs hands off baton to Renee Laffre.

Classes

Nine hundred fifty-six seniors, eight hundred fifty-seven juniors, and nine hundred thirty-six sophomores constitute the student body of Murphy High School. They attend two hundred ninety-eight classes during a seven period day to enrich themselves physically and mentally, in order to be better prepared to accept the challenge of the future.

Senior Class Officers, Treasurer Darby Luxenberg, Secretary Betsy Lott, President Mike Aycock, and Vice President Paula Longmire, watch during graduation practice.

Chuck Dunn, Leo Jernigan, Kay Atkins, and Jean Strickland, Senior Representatives, make last minute checks before graduation.

7th Panther Spirit Night Held

Panther Spirit Night Chairman, Anita Sellers welcomes Mr. Jack Crisp, master of ceremonies.

Art Rigas receives final instructions about house lights from Jan King.

1967 Mohian Staff mast heads: Assistant Editor Ben Kimbrough, Advertising Manager John Huff, Editor-in-Chief Howard Walker, Business Manager Kathy Hanks, Assistant Editor Judy Lauter.

Mrs. Groom awards Outstanding Senior scrolls to Vicki Kelly, Mike Aycock, Flo Friedrich, Laura Adams, Jimmy Blake and Carol Trice.

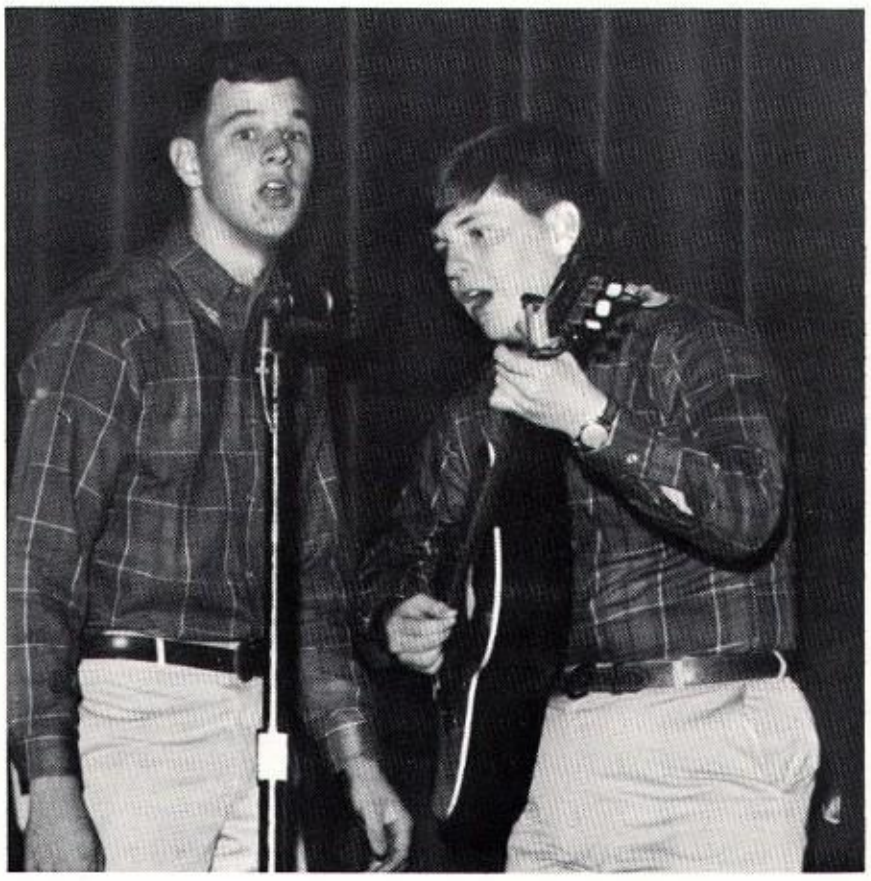
As Staff Hosts Record Crowd

Excitement, joy, disbelief—these moods best express the feelings of Miss Catherine McNally, dedicatee of the 1966 MOHIAN.

February twenty-sixth marked one of the high points in Murphy High School's extracurricular activities. On this date one hundred fifteen Murphy students took part in the seventh annual Panther Spirit Night sponsored by the MOHIAN Staff. Scenery consisted of the emblem on the 1966 MOHIAN, a torch imposed on an "M", flanked by replicas of the covers of the 1964 and 1965 MOHIANS. Mr. Jack Crisp assumed the role of master of ceremonies for his seventh straight year. Opening the evening's activities were the introduction of the candidates for class favorites and presentations of the outstanding seniors as selected by the faculty. The dedication of the 1966 MOHIAN to Miss Catherine McNally climaxed the evening. Capping the night's activities were the introduction of candidates for Mr. and Miss Panther Spirit and the announcement of the top officers of the 1967 MOHIAN Staff. A reception in the cafeteria honoring the participants followed the presentations in the auditorium.

Jan King welcomes audience to the seventh annual Panther Spirit Night.

1967 Staff Heads Announced



Robert Haas and Jimmy McGough entertain with "Take Her Out of Pity".

Miss Eloise Foster gives last minute details for reception to Howard Walker, Jan King, and Dean Zampieri.

Mrs. King and Penny Mann serve ice cold punch to PSN participants and guests.

Members of the audience are enthralled as Claire Stanard sings "What Have They Done With the Rain".

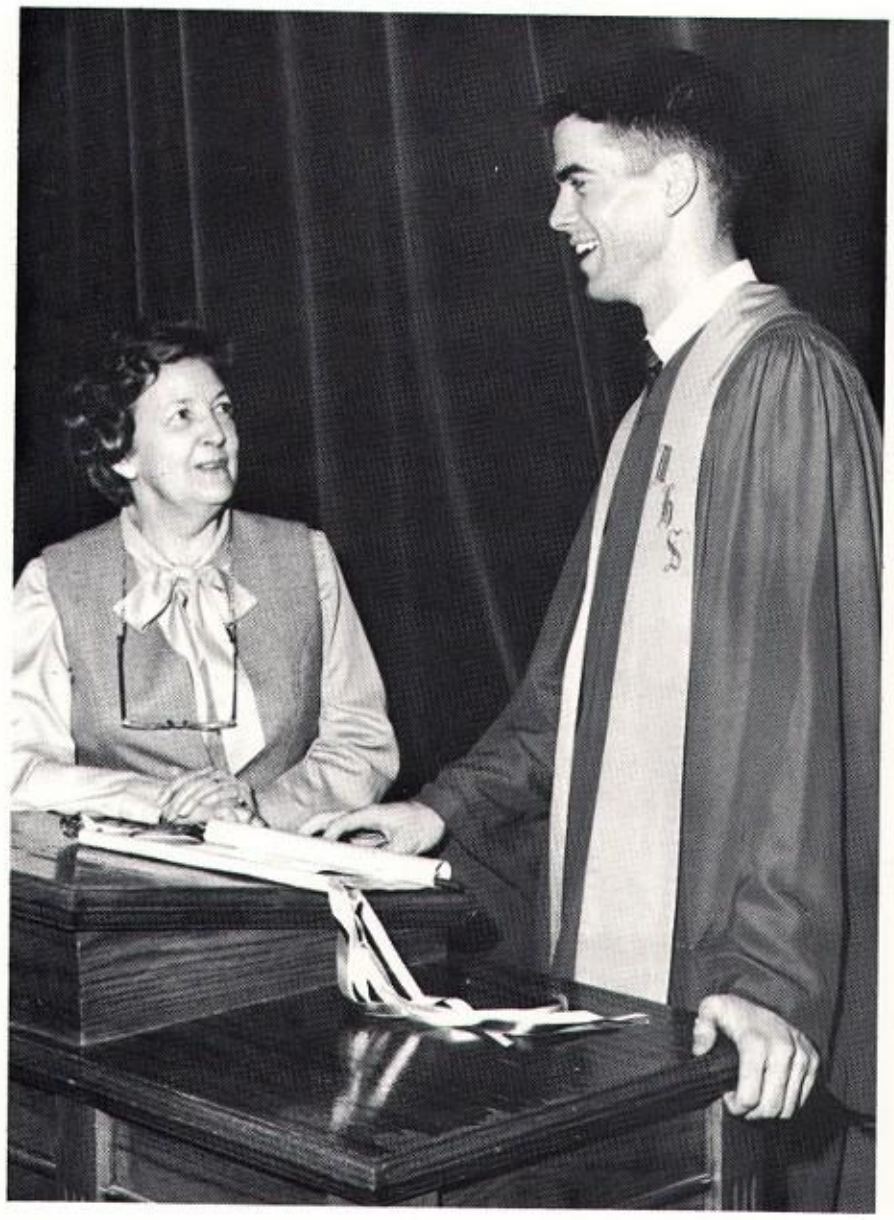
Inez Langham Memorial Chapter



Mrs. Stickney checks the order of assembly with President Eddie Hart before the induction of new members.

"I light the candle of Scholarship from the Eternal Flame of Knowledge." Silence prevailed in the auditorium as these words were spoken, and the National Honor Society induction began. Juniors and Seniors seeking admission must possess qualities of character, scholarship, leadership, and service and maintain a scholastic average of 3.3. The Inez Langham Memorial Chapter, established at Murphy in 1926, was named in honor of a late sponsor. Murphy's National Honor Society, sponsored by Mrs. Virginia Stickney, recognized Seniors and Juniors in a special candlelighting ceremony held February 24 and 25.

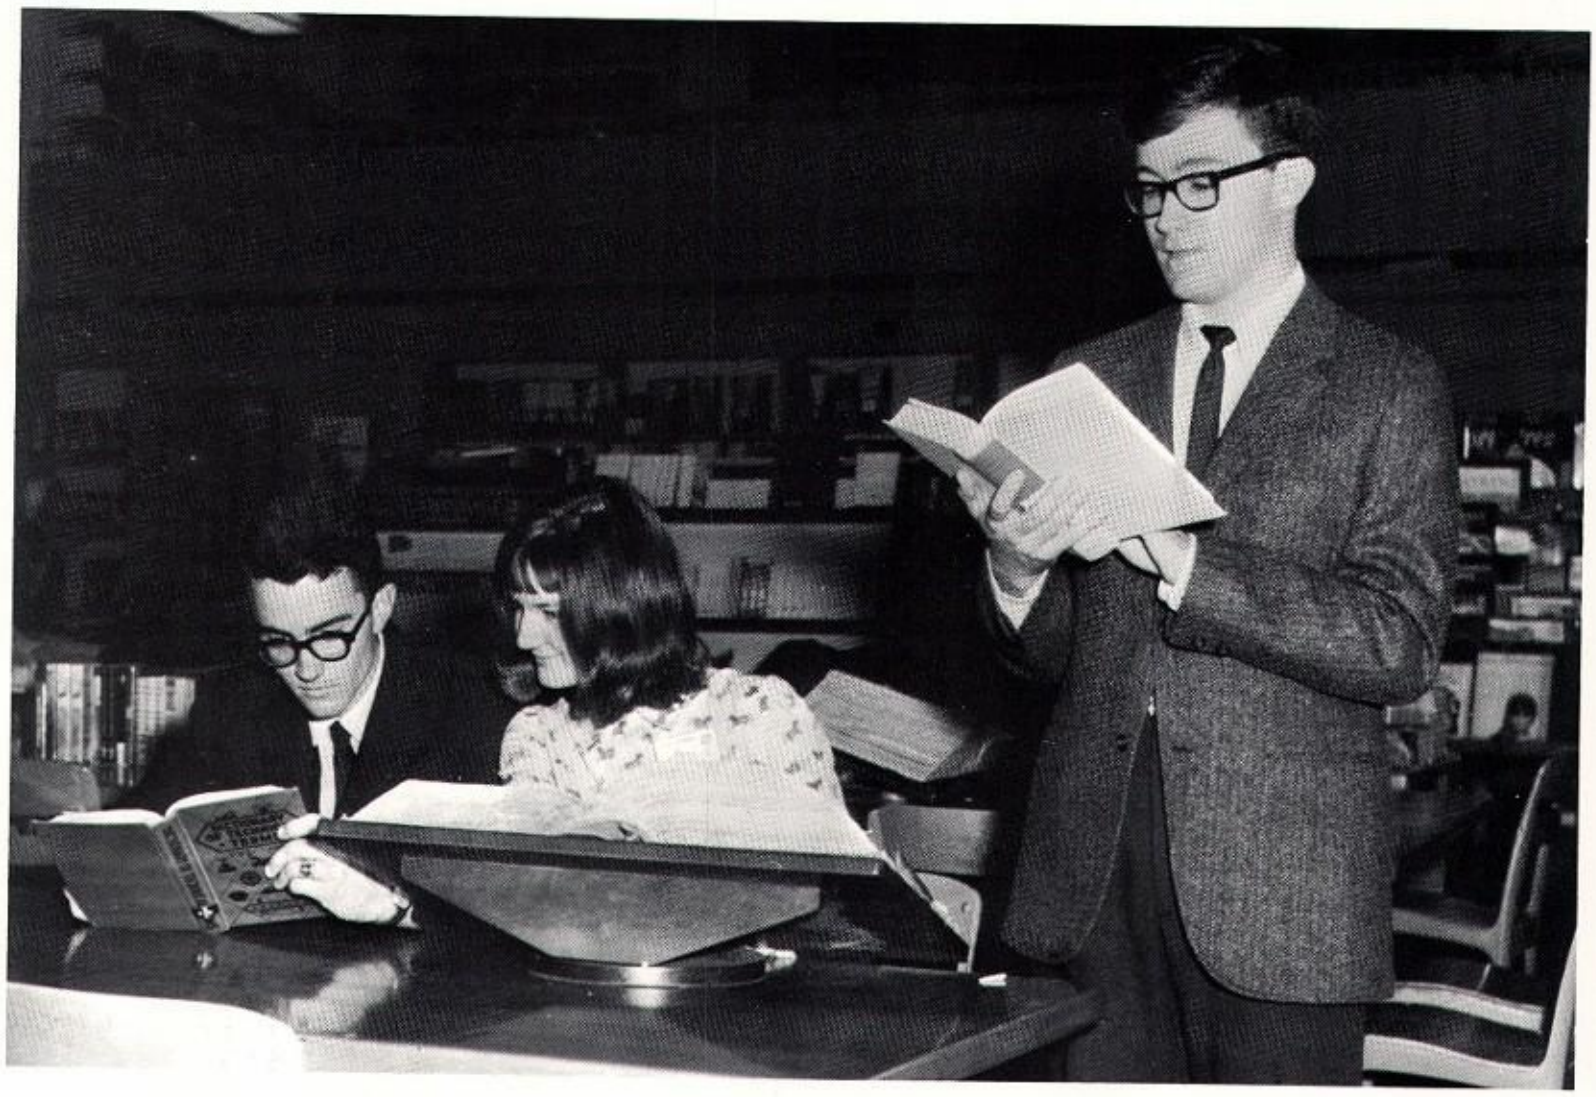
Mr. Taylor congratulates Richard Barnes, Jeanette Brown, and Terry Oshita on their national ratings in the National Merit Scholarship competition and the NCTE.

Murphy's three National Merit Finalists—Richard Barnes, Jeanette Brown, and Harry Evans—strengthen their knowledge through perpetual research and study.



Murphians Recognized Nationally

Three Murphy students received finalist ratings from the National Merit Program in which seventeen thousand high schools throughout the nation took part. Based on biographical statements and examinations as well as tests, the program serves as an avenue through which promising students gain admission to college. A finalist rating includes the student's name in a booklet sent to colleges, universities, and sources of financial aid. Richard Barnes, Jeanette Brown, and Harry Evans qualified out of fourteen thousand semi-finalists and, therefore, were awarded the ratings of finalists.

Two seniors recognized to be outstanding English students received certificates of merit from the National Council of Teachers of English. Thirty students recommended by their English teachers submitted a theme and a reading list to a committee of teachers in this department. The themes, past grades, and reading lists were judged before the list was narrowed down to six. A summer teachers' workshop decided whose material would be sent to the national committee. Robert Mallet and Terry Oshita achieved the highest scholastic awards in English a high school student can receive and their names were sent to many colleges.

Terry Oshita, runner-up in the National Council of Teachers of English Award, prepares her theme for competition.

Miss Hope, head of the English Department, discusses world literature with Terry Oshita, runner-up, and Robert Mallet, winner, in the National Council of Teachers of English.

Junior Class Officers: Secretary Sheryl Wilson, Treasurer Anna Blackmarr, President Robert Cohen and Vice-President Betty Harris put finishing touches on homecoming decorations.

Junior class representatives Carol Nerren, Barry O'Donnell, DeeDee Van Aller, Jan Crigler aid in class ring sale.

Advertisements

Future citizens in a growing community, require the encouragement of present business leaders. The one hundred forty-nine advertisers in the 1966 MOHIAN demonstrate their faith in our generation by purchasing space to display their goods and services. The publication of this book depends upon the support of the merchants of the Mobile area.

MOHIAN Lost Admired Patron

July 4, 1965 marked the passing of a very dear friend of students, faculty and administration of the Mobile Public School System. **MR. JAMES HENRY McEACHERN** was the kind of man we as students admired. He was a supporter of not only the schools, but also churches and many charitable organizations. Mr. McEachern helped many a needy student to have a square meal or to find a job in order to further his education. He was known for his kindness.

THE MOHIAN Staff lost a personal friend, one who always had a pleasant smile and a helpful word of encouragement especially at deadline time. The words of the poet, James J. Metcalfe, best expresses our feelings in this poem:

As God may give so God may take
And life must come and go
Whatever weather may prevail
Or how the rivers flow
It is not ours to question Him
To murmur or complain
Or criticized Him for the tears
That mingle with the rain
Our sorrow and our tragedy are His divine command
And in the deepest darkness we
Must try to understand
God rules the whole wide world
And all the universe He made
And if we love and honor Him
We need not be afraid
And if He wants us to be sad
And undergo a loss
Then let us do His holy will
And let us bear the cross.

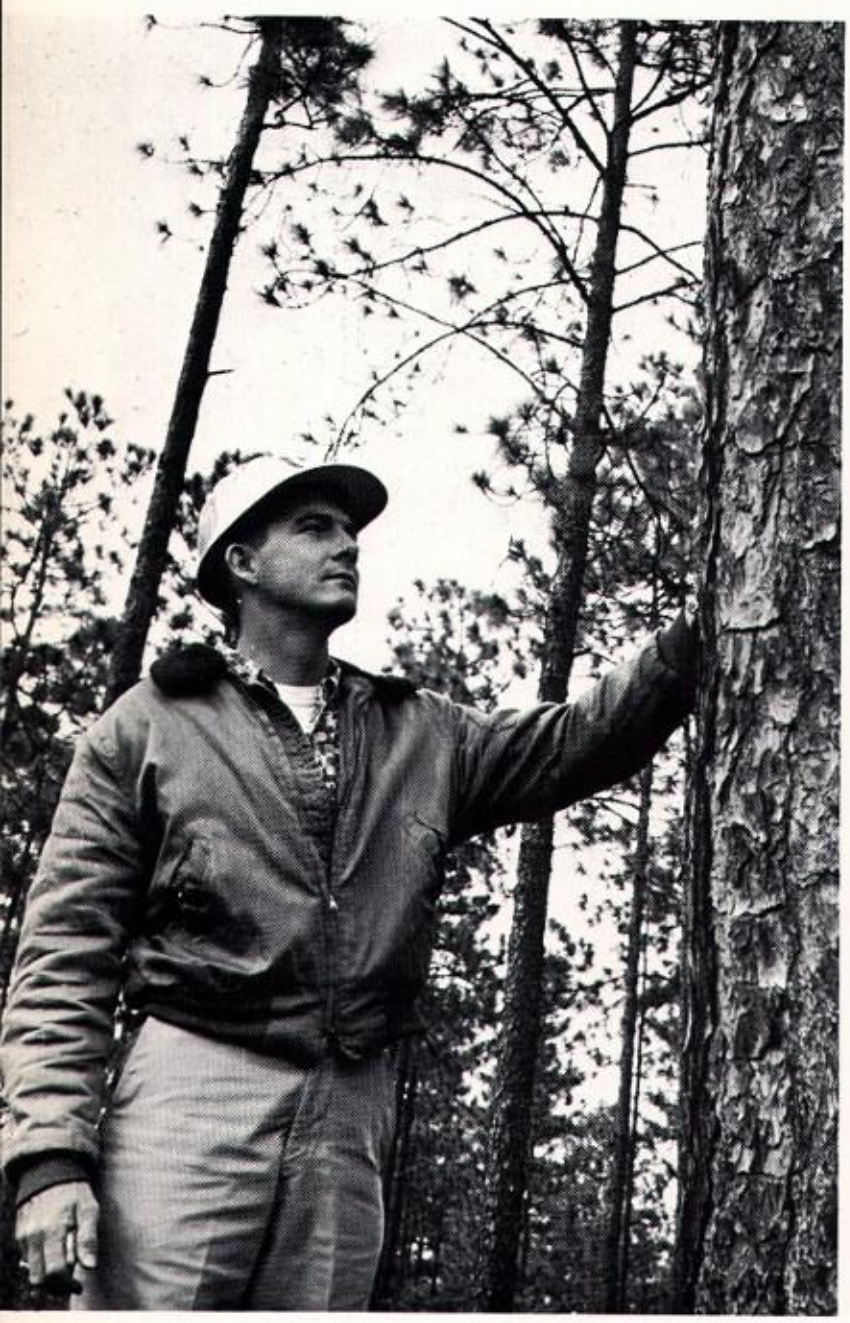
"Low Prices Every Day on Everything You Buy"



12 - 15 = 13

Start with 12 trees — harvest 15 — end up with 13! That's a miracle in anyone's book and yet that's just what the South has done in 25 years.

In 1935, Southern forests contained 120 billion cubic feet of wood. Since then, 147 billion cubic feet have been harvested. But these forests still contain more than 131 billion cubic feet — nine per cent more wood now than before that mammoth harvest.

I-P is proud that its foresters played a key role in this miracle of reforestation. Now they are meeting new challenges — like managing timberland for such varied purposes as watershed protection, hunting, and public recreation — or, using forest geneticists to develop improved strains of pines — or conducting complex economic studies in order to realize the greatest financial return from each acre of timberland.

This is truly modern forestry and it demands an ever-increasing number of college-trained men skilled in the latest technique of their profession.

Murphy Loses Dedicated Workers

Panther Spirit was never embodied in anyone more actively than in Mrs. Alice Stapleton. Her readiness to go that extra mile was often displayed as she fed athletic teams, prepared extra refreshments for faculty meetings, and provided punch and cookies for many school functions. With Mrs. Stapleton's death Murphy lost more than an efficient cafeteria manager; it lost a generous, loyal friend.

In March of 1966, Murphy's administration lost a capable office worker, Mrs. Doris Stumph. Serving at Murphy since 1946, she has aided many students in transferring from other schools and in sending college transcripts. As Records Clerk, Mrs. Stumph was in charge of the permanent record cards that are filled out by every Murphian. The administration, faculty, and students will miss the assistance of our dedicated friend Mrs. Doris Stumph.

The MOHIAN Staff truly regrets that it was not possible for each of you to share in the production of your annual. We have tried to represent accurately the events of 1966 and to create a living memory of this school year. To those who have made our task easier and more enjoyable we extend our sincere appreciation . . .

Mr. Raymond B. Taylor, Principal ..... for his support and understanding

Mr. Jerry Thompson, American Yearbook Company ..... for his constant encouragement

Miss Eloise Foster, Faculty Advisor ..... for her efforts that made the 1966 MOHIAN possible

Spottswood Studios ..... for Azalea Trail and Jr. Sr. Prom photographs

Miss E. Lura Moore ..... for Dr. Comer L. Scarborough's memoriam

Mr. Jack Crisp ..... for emceeing Panther Spirit Night

Mr. Elmore Sonnier ..... for sign advertising Panther Spirit Night

Miss Nancy Wall ..... for helping with Panther Spirit Night scenery

Our teachers and parents ..... for their patience and guidance
